ACKNOWLEDGEMENT

The task of acknowledging the help that was offered to me through this study by my guide, co-guide, colleagues and friends is bigger than the study itself. I feel scanty of words to the magnitude of their help. I could not have completed this work, without enjoying their endless patience and affection. Under this decorum I would like to recall all of them with utmost gratitude.

I place on record my deep sense of gratitude with utmost sincerity and heartfelt respects to the esteemed guide Dr. MANJUNATH T.R, Professor and Chairman, Department of Studies in Economics, Kuvempu University, Shankaraghatta - 577 451, Karnataka, for his invaluable guidance, co-operation, encouragement, help and moral support throughout the period of my study. I admit that it has been a great fortune for me to be associated with him during my degree programme.

I am very much grateful and thankful to my esteemed co-guide Dr. S. N. Megeri, Professor and Head, Department of Statistics University of Agricultural Sciences, Dharwad – 580 005, Karnataka, for his invaluable guidance, co-operation, encouragement, help and moral support throughout the period of my study. I admit that it has been a great fortune for me to be associated with him during my degree programme.

I wish to acknowledge my sincere thanks to Dr. B. Jayarama Bhat, Professor and Chairman Board of studies, Department of P.G. Studies and Research in Economics, Kuvempu University and Dr. S.N. Yogish, Professor, Department of P.G. Studies and Research in Economics, Kuvempu University, Shankaraghatta for their valuable suggestions, co-operation and support during the entire period of research.

I take this opportunity to express my deep sense of feeling and heartfelt gratitude to Dr. B.C. Goudrshivannanavar, Chairman, Dept. of Chemistry, Sahyadri science
college Shivamogga because of his inspiration, precious help, constant support and encouragement I completed this daunting task.

I wish to acknowledge my sincere thanks Dr. S. T. Bhairappanavar, Associate professor (Agronomy) for guiding me in formulation of the treatment details. I take this opportunity to express my heartfelt gratitude to scientists of ARS Kathalagere for their continuous help in experimentation period.

Colleagues, Friends and my students are invaluable treasures, it’s because of their precious help, constant support and encouragement I completed this daunting task. I take this opportunity to express my heartfelt gratitude to my Colleagues and students in the Department of Agricultural Statistics, University of Agricultural Sciences, GKVK, Bengaluru, I also take this opportunity to express my heartfelt gratitude to my friends for their valuable suggestions, co-operation and support during the entire period of research.

I owe a lot to my wife Smt P. Sharada, son DR. Sharath M Patel and relatives without whose affection and blessings this study would scarcely have been accomplished.

I am thankful to Kum. S.R Sudha and Kum. K. C. Jyothi research scholars Department of P.G. Studies and Research in Economics, Kuvempu University for their kind co-operation and encouragement during my study and research. My sincere thanks are to Mr. B. Suresha Department of P.G. Studies and Research in Economics, Kuvempu University for his kind co-operation and encouragement during my study and research.

Finally I thank all those who are involved in helping me directly or indirectly to attain this stage.
