ACKNOWLEDGEMENTS

Success in Research Study is the result of the combined contributions of several people. I have been fortunate and lucky to have received the support and willing help from various sources. I take this opportunity to say a big `THANK YOU' to several `beautiful' people for their able guidance, whole-hearted co-operation, encouragement and tremendous support through the different stages of my Research Study.

First and Foremost, I sincerely acknowledge my deepest gratitude to my GURU, Philosopher and Guide PRIN. DR. C.G. VAIDYA as well as MRS. MANGALA VAIDYA who have been the greatest source of encouragement, help and support without whom my study would never have been possible.

Most of all my gratitude goes to the revered one and only SHRI SURESHDADA JAIN whose tremendous and monumental work at the helm of affairs of the Jalgaon Municipal Council has been my greatest source of inspiration.

I am personally grateful to the then President of the Jalgaon Municipal Council Shri Pradeepbhai Raisoni, former President Shri Sharad Wani, MLC, and staff of the Council, who have extended me `out of way' help in making available all the files, documents, papers and everything I asked for without any hesitation.

Special thanks to my friend Shri Gokul Birla, General Manager (Finance) of Khandesh Builders Ltd. who has sent original copies of the Development Plans all the way from
Jalgaon to Pune in a couple of hours without which the concluding chapters would never have been completed at all.

I am grateful to the staff of B.M. College of Commerce and its staff members of the Library who have extended me all the necessary help.

My father late Shri G.V. Deshpande who had inspired me to undertake this study would have been happier to see the study completed according to his wishes. My source of inspiration are my family members my mother Smt. Rukhminibai Deshpande, Eldest brother Shri Shashikant Deshpande, Vahini, wife Sunita and children Kaustubh and Sneha who have helped in completing the study.

I am grateful to my father-in-law and mother-in-law Shri R.K. Gokhale and Mrs. Prabhavati Gokhale who have made my stay at Pune cozy and comfortable.

Special thanks to my nieces Miss Kshipra M. Khurjekar, B. Arch and Miss Yashada G. Patankar who have assisted me in getting the study papers drafted and compiled properly.

My thanks to Shri Pawagi and Mrs. Usha Ranade of Sadhana Typing Room, Pune, who have done the excellent work of Computer-type-setting of the Thesis.

A big thank you to all those who have directly or indirectly helped me in completing the Research Study.

THANK YOU VERY MUCH.
