ACKNOWLEDGEMENTS

I am indebted to Dr. S.L.Tripathi, my guide, for his constant guidance, encouragement and keen interest, while undertaking this study.

I am grateful to Dr. Manibhai Desai, President, BAIF for his motivation and generous support in pursuing this work and also throughout my career with BAIF.

I am thankful to Messrs S.P. Lakade, K. N. Bhide, V. D. Kelkar, P.C. Adhikari, M.V. Shaligram, V.J. Harris, S.K.Wankhede, A.M.Gaikwad, S.N.Dange, C.K.Kalambe, and Ms.Kirti Akhade, for their valuable assistance during this study. I am grateful to Ms. Tinku Dhar, Mr. S.L. Pimplaskar, Dr. Meera Pimplaskar, Dr. J.N. Daniel and Prof. L.L. Relwani for their valuable suggestions. I appreciate Mrs. Neema Bhujad's best efforts in preparing this manuscript.

It was only because of the encouragement and patience of my mother, Mrs. Laxmibai Hegde, wife Usha and son Amogh, that I could complete this thesis and I am obliged for their unfailing support.

I am thankful to Winrock International (F/FRED Project), MPTS Research Network, Bangkok for financial assistance in undertaking this research and permitting me to use the data for this thesis.
