Acknowledgements

It is with immense pleasure, I wish to place on record, gratitude to my esteemed guide, Dr. Ganesh Sambasivam, Chief Scientific Officer, Anthem Biosciences, Bangalore who supported and supervised my research work. I remember him ever for his invaluable support.

I am extremely grateful to my research co-guide Prof. H.S. Bhojya Naik, Professor and Registrar (Evaluation), Department of Industrial Chemistry, Kuvempu University, Karnataka who supported and supervised my work at all stages of the research work. I remember him ever for his timely support and focused guidance.

I am extremely grateful to Mr. Ajay Bharadwaj, CEO, and Mr. Ravindra Chandrappa, COO, Anthem Biosciences Pvt. Ltd., Bangalore for their encouragement and kindness to help me a lot by providing the necessary resources and facility to pursue my research work.

I would like extend my gratitude to Prof. K. Vasanthkumar Pai, Chairman, and faculty members, Department of Industrial Chemistry, Kuvempu University, Karnataka for their valuable suggestions during the assessment of the research work.

I am extremely thankful to my colleagues Abhilash V, Charan K, Ramaraj S, Rajesh K, Thiruvengadam J, Devesh S A and Sowmya E for their help during the research work.

My special thanks to Dr. Kesavan, Dr. Sathish Sadagopan, Mr. Jagadeshan, Anthem Biosciences Pvt. Ltd., Bangalore for helping me to carry out the biological studies of the compounds reported in this thesis. I am also thankful to Mr. Prasad Shandilya and his team for their timely support for providing the analytical data of the compounds reported in this thesis.

I will not be complete without mentioning my gratitude to my colleagues Dr. Sumesh E and Dr. Thomas KD for their help during the preparation of Manuscripts and Thesis.
I wish to place on record my sincere thanks to my research colleagues, Mr. Pradeep, Mr. Prasanth and all other research scholars in the department for their timely help during the preparation of synopsis and thesis.

I ever remember the good wishes, inspiration and wholehearted support in each and every ways received from my wife Mrs. Swapna and my daughter Ms. Yogyasri. Finally, I thank and remember each and every person who helped me directly or indirectly in my career.
