ACKNOWLEDGEMENT

My sincere and foremost gratitude is befittingly extended to my supervisor **Dr. P. Srinivasan**, Assistant Professor, Department of Bioinformatics, Alagappa University, Karaikudi, for his eruditeness, unencumbered, exemplary guidance, indefatigable strenuous efforts to steer the work in the right direction, bountiful scholarly advice and undiminishing zeal for extracting fruitful information and for his painstaking efforts to correct the manuscripts amidst his bustling schedules. 

I am thankful to the **Vice-Chancellor, Registrar** and the administrative staff of Alagappa University, for having permitted me to carry out this research work.

It is my pleasure to express my sincere thanks to **Dr. J. Jeyakanthan**, Professor and Head, Department of Bioinformatics, Alagappa University, Karaikudi for great help and personal interest shown on me in overcoming all the difficulties during the course of this work.

My sincere thanks are offered to **Dr. Sanjeev Kumar Singh**, Associate Professor and **Dr. M. Karthikeyan**, Assistant Professor, Department of Bioinformatics, Alagappa University, Karaikudi, for their assistance and suggestions in the research work.

I express my sincere gratitude to **Dr. K. Kulangiappar**, Scientist, Electro Organic Division, Central Electrochemical Research Institute, Karaikudi, for helping in NMR interpretation and structural elucidation of the isolated compound.

I am indebted to **Dr. B. Kadalmani**, Assistant Professor, Department of Animal Science, Bharathidasan University, Tiruchirapalli to his timely, valuable and potent help to provide *in vitro* cell culture facilities.

I also extend my special thanks to **Dr. P. Rameshthangam, Dr. M. Jothi Basu**, and **Dr. N. Sengottuvelan**, Assistant Professors, Directorate of Distance Education, Alagappa University, Karaikudi, for their encouraging support.

I am grateful to **Dr. T. Ponrasu**, Post-Doctoral Fellow, Department of Biotechnology, Indian Institute of Technology, Chennai, for having shouldered demanding works and for his unflinching support in all the aspects.

Grateful acknowledgement was made to **Mr. K. Palanivel and Ms. V. Kanimozhi**, Research scholars, Department of Animal Science, Bharathidasan University,
Tiruchirapalli, for their moral support and guiding during the in vitro cell culture experiments.

I am equally thankful to my dear friends and batch mates Mr. S. Rajamanikandan, Mrs. R. Vanajothi, Mrs. T. Sindhu, Ms. D. Sasikala and Mr. T. Stalin, Research Scholars, Department of Bioinformatics, Alagappa University, Karaikudi for their help and support to carry out this work.

I have a special gratitude to Dr. C. T. Bhaaskaran, Assistant Professor, Dept. of Botany, Avvaiyar College for Women, Karaikal and Mrs. P. Bharathajoithi, Assistant Professor, Dept. of Siddha Medicine, Tamil University, Thanjavur for their invaluable support, unstinted boosting to the present work at every stage to complete this study in time.

My special thanks to my friends Mrs. S. Manikandaselvi and Mr. N. Rameshkannan for their invaluable help and suggestions during the period of my research work.

My special and heartfelt thanks to my friends Mr. S. Gopinath, Mr. K. Gopinath, Mr. P. Muthuraja and Mr. V. Thamilarasan for their timely help and support in various ways for having been a great source of strength to me. Their contribution will be remembered forever.

I also extent my gratitude and thanks to Mrs. M. Rathipriya, Mr. S. Arumugam and Ms. R. Brindha, non teaching staffs of Dept. of Bioinformatics, Alagappa University, Karaikudi for their administrative assistance.

I also extend my sincere thanks to DST WOS-A, Dept. of Science and Technology, Govt. of India, for providing the financial support during the period August 2011 to July 2014.

The real tolerance, boundless love and ceaseless prayers of my husband Mr. E. Rajesh, father in law Mr. KR. Ehambaram, my parents Mr. V. Arumugam, Mrs. A. Karpagam and my beloved brother and sister deserve much gratitude and heartfelt thanks.

A. Sudha
