Acknowledgement

I express my hearty thanks and indebtedness to Dr. Sunil K, Narayanankutty, Professor, Department of Polymer Science and Rubber technology, Cochin University of Science and Technology, my research guide, for his sincere guidance, encouragement and invaluable suggestions which paved way for the completion of my work.

I am extremely thankful to Dr. Thomas Kurian, Head of the Department of Polymer Science and Rubber technology, for providing me with the opportunity to carry out my research work in the Department.

I am grateful to Prof. Dr. K.E. George and Prof. Dr. Rani Joseph, former Heads of the Department of Polymer Science and Rubber Technology for their help and encouragement.

I would also like to express my deep appreciation and gratitude to Dr. Eby Thomas Thachil and Dr. Philip Kurian for their keen interest in my work and for their whole hearted co-operation.

I take this opportunity to thank, the Mahatma Gandhi University, Kottayam for giving permission and financial support to carry out this work.

I am indebted to Dr. A.V. Zacharia, Principal, and my colleagues at the Mahatma Gandhi University College of Engineering, Thodupuzha for their cooperation.

I extend my gratitude to Dr. K. Sreekrishnakumar, Director, School of Technology and Applied Sciences, M.G. University for his support and encouragement.

My sincere thanks are also due to Dr. Josephine George, Head of the Department and other faculty members of the Department of Polymer Engineering.
Let me thank Mr. Alex P.K., Administrative Officer and the members of the non-teaching staff of the Mahatma Gandhi University College of Engineering, Thodupuzha for their immense help.

I am grateful to my co-researchers, Mrs. Suma K.K., Mr. Jude Martin Mendaz, Mr. Parameswaran P.S., Mrs. Bhuvanasewari M.G., Mr. Sinto Joseph, Mr. Bipinpal P.K., Mr. Abhilash G., Miss. Saritha Chandran A., Mrs. Vijayalakshmi V., Mrs. Ansu Jacob, Miss. Anna Difsi K.F., Mrs. Neena George, Miss. Nimmi K.P., Miss. Vidya G., Mrs. Resmi V.C. and Mr. Sreekantan M.S. of the Department of Polymer Science and Rubber Technology for their whole-hearted co-operation and for making my course of study a delightful experience.

I also extend my sincere thanks to the members of the non-teaching staff of the Department of Polymer Science and Rubber technology, CUSAT for their support at different stages of my research work.

Above all, I pray and thank God Almighty who enlightens me with wisdom and courage for all the success in my life, without which all the efforts will be in vain.

Lony Mathew
