I acknowledge with my sincerest gratitude the help and cooperation of my teachers, friends and family members in writing this Ph.D thesis.

Professor Sunanda Sen, who has supervised this thesis, lent me intellectual and moral support although without which this thesis would not see the light. I acknowledge with my deepest gratitude and regards all the helps she rendered me.

Dr. Biswajit Dhar of Research and Information System for the Non-Aligned and Other Developing Countries, New Delhi provided me with moral courage and intellectual assistance from time to time. I acknowledge with my sincere gratitude all the helps he offered me.

My friends Madanmohan Ghosh and Rajesh Mahapatra took lot of pain and spent many sleepless nights with me in finalising this thesis. I acknowledge with my deep affection for them all the necessary help they provided.

Besides I acknowledge the helps that I received from all my teachers and friends in Jawaharlal Nehru University, New Delhi and elsewhere.

The provocation of writing a Ph.D came from my parents. Their debts can never be recompensed.

Lastly, my wife Madhumita with her constant support and affection made the whole task a pleasant experience.

I owe the entire responsibility of errors and omissions, if any, as the views expressed here are entirely mine.
