List of Tables

Chapter 2:

Table 2.1 Sources of External Finances for the Oil Importing Developing Countries (1968-73) (page 17)

Table 2.2 Current Account Balances (Developed, Oil Exporting Countries, Oil Importing Countries and the Centrally Planned Economies) (1973-81) (page 22)

Table 2.3 Debt Scenario of the Developing Countries (1972-82) (Page 23)

Table 2.4 Debt Scenario of the Latin American and Caribbean Countries (1972-82) (page 25)

Table 2.5 Debt Scenario of the Major Borrowers (1972-82) (page 25)

Table 2.6 Major Macroeconomic Indicators of the Developing Countries (1972-82) (page 28)

Table 2.7 Major Macroeconomic Indicators of the Developed Countries (1972-82) (page 28)

Table 2.8 Principal Debt Ratios of the Developing Countries (page 29)

Table 2.9 Principal Debt Ratios of the Latin American and Caribbean Countries (page 30)

Table 2.10 Principal Debt Ratios of the Major Borrowers (page 30)

Table 2.11 Concessional and Non-concessional Proportions of Disbursed Debts (1972-82) (page 31)

Table 2.12 Changes in Output and Prices of the Developed Countries (1973-82) (page 35)

Table 2.13 Changes in the Money Stocks of the Developed Countries (1976-82) (page 36)

Table 2.14 Interest Rates in Developed Countries (1976-82) (page 37)

Table 2.15 Summary of the World Trade, Terms of Trade and World Prices (Developing Countries) (page 38)

Table 2.16 Commercial Bank Debt of the Five Major Borrowing Countries at mid-1982 (page 41)

Table 2.17 Exposure of the US Banks in Eastern Europe and Oil Importing Developing Countries (page 43)
Table 2.18  Exposure of the Major Commercial Banks (at the end of 1982) (page 46)
Table 2.19  Debts owed to the Commercial Banks by the Developing and East European Countries (page 47)
Table 2.20  Different Categories of Default (page 50)
Table 2.21  Features of Different Categories of Default (page 52)
Table 2.22  Relationship Between Interest-Burden and Net Borrowings (Oil Importing Developing Countries) (page 54)
Table 2.23  Relationship Between Interest Payments and the Net Flows on Debt for the Severely Indebted Countries (page 56)
Table 2.24  Debt Flows and Commercial Bank Exposure in East Europe (1980-92) (page 60)
Table 2.25  Net Debt Flows and Commercial Bank Exposure to Latin America (1980-92) (page 61)
Table 2.26  Taxonomy of the Nature of the Debt Management Strategies (page 70)

Chapter 5 : 

Table 5.1  Rescue Packages for Argentina, Brazil, Mexico and former Yugoslavia (page 171)
Table 5.2  Matrix of Different Debt Conversion Instruments (Page 205)
Table 5.3  Reduction in Exposure to Developing Countries of 29 US Banks (page 206)
Table 5.4  Debt Conversion Programmes (1985-92) (page 209)
Table 5.5  Debt Conversion Programmes in Selected Countries (1985-91) (page 210)
Table 5.6  Debt Prices Before and After Debt Reduction Agreements (page 214)
Table 5.7  Net Non-interest Income As A Share of Banks' Annual Gross Income (page 223)
Table 5.8  Loan Loss Reserves as per cent of Developing Country Exposures (page 230)
Table 5.A.1  Countrywise Debt Rescheduling by Banks (1982-84) (page 246)
Table 5.A.2  Debt Restructuring by Commercial Banks (1980-92) (page 247)
Table 5.B.1  Multi-Year Restructuring Agreements (MYRAs) during 1985-87 (page 250)
Table 5.C.1  Annual Average Capital Flows to the Highly Indebted Countries (1983-91) (page 252)
Table 5.C.2  Countrywise Capital Flows Under the Baker Plan (1986-88) (page 253)
Table 5.E.1  DDSR Agreements (January 1990-September 1992) (page 259)
Table 5.E.2  Buy-Backs Financed by the IDA Debt Restructuring Facility (January 1991-September 1992) (page 260)
Table 5.G.1  Tax and Accounting Treatment of Loan Loss Reserves (1991) (page 269)

Chapter 6:

Table 6.1  Official Debt Stocks of the Developing Countries, Severely Indebted Middle Income Countries and Severely Indebted Low Income Countries (1970 & 1980) (page 284-85)
Table 6.3  Net Official Flows and the Bank Debt Service Payments of the Severely Indebted Middle Income Countries and Severely Indebted Low Income Countries (1983-92) (page 290)
Table 6.4  Use of IMF Resources (1980-89) (page 293)
Table 6.5  Use of Fund Resources by Sub-Saharan African Countries (1970-87) (page 303)
Table 6.6  Sub-Saharan Africa Debt Restructured in Paris and London Club (1976-87) (page 304)
Table 6.7  Debt Scenarios of the Severely Indebted Middle and Low Income Countries (1986-92) (page 317)
Table 6.E.1  Paris Club Enhanced Toronto Terms (December 1991-November 1992) (page 332)
Table 6.F.1  Paris Club Agreements for the Highly Indebted Lower Middle Income Countries (September 1990-November 1992)  (page 334)

Chapter 7:

(The Values of the parameters "a" and "b" and estimation of excess outward transfers)

Table 7.1  All Developing Countries  (page 353)
Table 7.2  Severely Indebted Middle Income Countries (page 353)
Table 7.3  Severely Indebted Low Income Countries (page 354)

(The debt-to-GDP ratio trajectories)

Table 7.A.1  All Developing Countries  (page 366)
Table 7.A.2  Severely Indebted Middle Income Countries (page 367)
Table 7.A.3  Severely Indebted Low Income Countries (page 368)

(The values of d, n, g, g_n, i, a and b)

Table 7.B.1  All Developing Countries  (page 369)
Table 7.B.2  Severely Indebted Middle Income Countries (page 369)
Table 7.B.3  Severely Indebted Low Income Countries (page 369)

(Debt Stock, Net Debt Flows, Interest Payments, GDP, Net Transfers of Financial Resources)

Table 7.C.1  All Developing Countries  (page 370)
Table 7.C.2  Severely Indebted Middle Income Countries (page 370)
Table 7.C.3  Severely Indebted Low Income Countries (page 371)
