ACKNOWLEDGEMENTS

It is my greatest pleasure to express my gratitude to everyone who have directly or indirectly influenced and encouraged me over the course of my studies and my life.

First of all, I would like to express my deepest gratitude and indebtedness to my research guide Dr. Jigar V. Patel, Associate Professor, Department of Industrial Chemistry, ISTAR, for his invaluable guidance, support, advice and a wonderful company throughout my Ph.D. work. This feat was possible only because of the unconditional support provided by him. A person with an amicable and positive disposition, he has always made himself available to clarify my doubts despite his busy schedules and I consider it as a great opportunity to do my doctoral program under his guidance and to learn from his research expertise. I thank him, for all his help and support. His dedication towards research and indomitable spirit will always remain a source of inspiration for me. He has truly helped me to build my basic research and chemistry knowledge in the polymers and lubrication technology.

I warmly thank Dr. P.M. Udani, Director, ISTAR, for providing all the required laboratory facilities to carry out my research work.

I am also grateful to Director, Sophisticated Instrumentation Centre for Advanced Research and Testing (SICART) for providing the managerial support and instrumental facilities. I am thankful to SICART staff for providing necessary assistance during my research work. I would also like to thank my former professors Shri. K.M.Patel Dr. V.K. Sinha and Dr. P.M.Patel, who have taught me valuable lessons both through class work and as living examples. I am also thankful to Dr. Merlin Thomas, Head, Department of Industrial Chemistry, Dr. Nirmal Patel, Dr. Rohit Dave ISTAR, for his constant support, encouragement and valuable suggestions.

I would like to convey my gratefulness to Mrs. Parul Thakkar, Store keeper, for being available in all hard times
even during vacations, also Mr. Minesh Patel, Mr. Pinakin Patel and Mr. Rajubhai Darbar and other non teaching staff of ISTAR, for their kind support in the research work.

I always keep my colleagues Dr. Jay Patel, Dr. Dhaval Gajjar, Dr. Rinkesh Patel, Ankit Patel, Dhirajlal Chauhan, Mandar Karve, Hardik Parekh, Vikash Mishra, Amit Barot, Chirag Patel, Dijit Patel, Nisarg Prajapati in hearty touch for creating joyful and fantastic environment in the laboratory for their helping nature and co-operation.

I greatly appreciate and dedicate my entire research work to my family for their tremendous support and encouragement throughout my life. It is my parents, who made me realize the importance of education in my young age and encouraged me to pursue my dreams with their unlimited love, patience and support. An especial thanks to my grandparents for their blessings, love and care. The endless love of them will always be in my heart that will inspire me in every step of my future life.

I am grateful to Mr. Sunil Mehta and Mr. Siddarth Mehta, Petrochem Industries Pvt. Ltd., Palghar and Dr. Brijesh Parikh, Rasayan Laboratories, Anand for kindly providing the required raw materials and testing facility necessary for the research work.

Last but not the least; I thank Almighty for giving me strength, patience and bestowing mercy without which I could not have completed this work.
