ACKNOWLEDGEMENT

I express my deepest gratitude for the competent guidance of Dr. P. Kiranmayi, Assistant professor for her motivation, to gain deepest thoughts in research and valuable guidance, understanding and timely advice.

My sincere thanks to Dr. M. Rama Rao, Head of the Department for his encouragement and valuable suggestions directly and indirectly towards completion of my thesis.

My heartfelt gratitude and respectful thanks to Prof. I. Bhaskar Reddy, for his valuable inspiration and constant encouragement throughout my study.

My sincere thanks to Dr. K.V. Rachel, Assistant Professor of Biochemistry, for her constant help and suggestions during the preparation of thesis.

My sincere thanks to Dr. P.K. Behera and Dr. D.L. Lalitha, Professors of Biochemistry, MIMS, Nellimarla, Vizanagaram for their valuable inspiration and support during this work.

I am highly indebted to Dr. J.A.L. Ranganath (DM Nephrology) for his help, valuable discussions, and continuous encouragement and support throughout my work.

I am thankful to Dr. D. Govinda Rao, Dr. Ch. Surekha, Dr. N. Nageswara Rao. Reddy and Mr. A.K. Chaitanya for their help during the course of this work.

I am also thankful to Kunal and Divya Rupa for insilco analysis and friendly support throughout the work.

I am thankful to Non-teaching staff for maintenance of instruments and their timely help rendered during the course of this work.
I am thankful to management of **GITAM University** for providing necessary facilities to carry out my work.

I would like to thank the management of Maharajah’s Institute of Medical Sciences for providing the necessary facilities to carry out my work.

I give my heartfelt thanks to my family members for their care, patience, providing mental, physical and financial support during my study.

D. SRI HARI S. KUMAR RAJU
