4.9 Marital Status of the Respondents based on Gender 103
4.10 Family set up of the Respondents based on Gender 104
4.11 Family Size of the Respondents based on Gender 105
4.12 Discipline of the Respondents based on Gender 106
4.13 Perception of Gender and College Status on API related to Teaching, Learning and Evaluation 107
4.14 Wilk's Lambda Multivariate Test 108
4.15 Perception of Gender and College Status on API Related to Co-curricular, Extension and Professional Development 112
4.16 Wilk's Lambda Multivariate Test 113
4.17 Perception of Gender and College Status on API Related to Research 117
4.18 Wilk's Lambda Multivariate Test 118
5.1 Group Statistics – Gender 129
5.2 Group Statistics – College Status 129
5.3 Independent sample t-test 129
5.4 Perception of Gender and College Status on Institution, Department and Family Support Extended to meet the Academic Performance Standards in Teaching 137
5.5 Wilk's Lambda Multivariate Test 137
5.6 Perception of Gender and College Status on Institution, Department and Family Support Extended to meet the Academic Performance Standards in Service 146
5.7 Wilk's Lambda Multivariate Test 146
5.8 Perception of Gender and College Status on Institution, Department and Family Support Extended to Meet the Academic Performance Standards in Research

5.9 Wilk's Lambda Multivariate Test

6.1 Respondents Distribution Based on their Gender

6.2 Pearson Chi-Square Relationship between Standard Scores in different areas of Professional Growth and Gender

6.3 Categorization of Responses of Gender across College Status and Type of Institution towards Gender Equity in doing Research (Moderate Extent)

6.4 Categorization of Responses of Gender across College Status and Type of Institution towards Gender Equity in Attending Training and Refresher Programs (Great extent)

6.5 Categorization of Responses of Gender across College Status and Type of Institution towards Gender Equity in Presenting Papers (Great extent)

6.6 Categorization of Responses of Gender across College Status and Type of Institution towards Gender Equity in Promotion to senior level (Great extent)

6.7 Categorization of Responses of Gender across College Status and Type of Institution towards Gender Equity in Increment (Great extent)

7.1 Perception of Gender and College Status on Work Challenges
7.2 Wilk's Lambda Multivariate Test

7.3 Categorization of Responses of College teachers’ based on Gender and College Status on work challenge related to “Work beyond mandatory teaching hours”

7.4 Categorization of Responses of College teachers’ based on Gender and College Status on Work Challenge related to “University valuation”

7.5 Categorization of Responses of College teachers’ based on Gender and College Status on Work Challenge related to “Continuous assessment”

7.6 Categorization of Responses of College teachers’ based on Gender and College Status on Work Challenge related to “Invigilation’s”

7.7 Categorization of Responses of College teachers’ based on Gender and College Status on Work Challenge related to “Attend meetings”

7.8 Categorization of Responses of College teachers’ based on Gender and College Status on Work Challenge related to “In-charge of committees”

7.9 Categorization of Responses of College teachers’ based on Gender and College Status on Work Challenge related to “Organizing Conferences and Seminars”
7.10 Categorization of Responses of College teachers’ based on Gender and College Status on Work Challenge related to “Do more research”

7.11 Categorization of Responses of College teachers’ based on Gender and College Status on Work Challenge related to “Administrative duties”

7.12 Categorization of Responses of College teachers’ based on Gender and College Status on Work Challenge related to “Carry work home”

7.13 Perception of Gender and College Status on Family Challenges

7.14 Wilk's Lambda Multivariate Test

7.15 Categorization of Responses of College teachers’ based on Gender and College Status on Family Challenge related to “Physical health”

7.16 Categorization of Responses of College teachers’ based on Gender and College Status on Family Challenge related to “Personal time”

7.17 Categorization of Responses of College teachers’ based on Gender and College Status on Family Challenge related to “Marital friction”

7.18 Categorization of Responses of College teachers’ based on Gender and College Status on Family Challenge related to “Impact on Children”
7.19 Categorization of Responses of College teachers’ based on Gender and College Status on Family Challenge related to “Care for elder’s”

7.20 Categorization of Responses of College teachers’ based on Gender and College Status on Family Challenge related to “time spent for the family”

7.21 Categorization of Responses of College teachers’ based on Gender and College Status on Family Challenge related to “Quality time with children”

7.22 Categorization of Responses of College teachers’ based on Gender and College Status on Family Challenge related to “Balance home and career”
