ILO Deliberations
Safety Management and the Computer
Computer Applications

CHAPTER 4 : SAFETY INSTRUCTIONS AND GUIDELINES 65 – 81
Guidelines for Safety
Safety Equipment
Tools and their uses
Accident Register
Accident Report from Employer
Accident Investigation Report

CHAPTER 5 : THE FACTORIES RULES, 1963 82 – 100
Rules 1963
Further Safety Provisions
Functions and Duties of the Sub-Committee
Special Provisions
Safety Organisation and Management
Safety Activities
Safety Officer

CHAPTER 6 : ANALYSIS OF CAUSES OF ACCIDENT CASES 101 – 126
Introduction
Cases 1 to 15
Circumstances of Incident
Causes of Accident
Type of Business
Type of Accident
Number of Victims

CHAPTER 7 : NINTH FIVE YEAR PLAN 127 – 138
HUMAN AND SOCIAL DEVELOPMENT
Labour and Labour Welfare
Review of Labour Laws
Social Security
Research in Employment and Manpower
CHAPTER 8 : RESEARCH METHODOLOGY 139 – 164
Introduction
Area of the Study
Methodology of the study of selection of the sample
Sampling Procedure
Questionnaires
Method of Data Analysis
Types of Data Collected
Method of Data Analysis
Coverage of the study
Limitations of the study
Letter
Questionnaires and List of Companies where survey has been conducted and Interviews taken

CHAPTER 9 : ANALYSIS OF THE QUESTIONNAIRES ON INDUSTRIAL ACCIDENTS AND ITS PREVENTION 165 – 198
Pune and Pune Region : Bird's Eye View
Quantitative and Qualitative Aspects with Diagrams

CHAPTER 10 : FINDINGS AND RECOMMENDATIONS
Findings
Recommendations 199 – 213
Annexure 1 : 214 – 218
Practice Safety
There is no holiday for Safety Accident Statistics
Annexure 2 : 219 – 230
Supervisor's Report on Accident (TELCO, Mahindra Engineering, Bajaj Tempo)
Annexure 3 : 231 – 237
Handbook on Safety (Cummins India Limited)
