At this auspicious occasion of the successful completion of this research work, I would like to acknowledge all those persons whose assistance and contribution was determinant in the realization of this thesis, which otherwise would not have been possible. Firstly, I thank Almighty for his mercy and blessings which he bestowed on me throughout this endeavor as well as in all aspects of my life.

I feel honored to express my profound regard and a deep sense of gratitude to my worthiest and most esteemed Supervisor Prof. Ashok Kumar for his intellectual, resourceful and affectionate support throughout this research work. His wide knowledge, experience and ability to convert thoughts into action have been of great value to me. His understanding, encouraging and personal guidance have provided a sound basis for my research. His constant and inspiring guidance during my research enabled me to finish this work.

I wish to thank Prof. Madhu Kumar for her advice during the every phase of this study, her kindness in examining the research work and providing suggestions for improvement and encouragement during my time here and for her patience in teaching me all related things.

I wish to express my sincere thanks to Prof. P. K. Goyal, Head of the Department, Department of Zoology for providing me various facilities, valuable suggestions and support that were essential to carry out this research work.

I also wish to thank Prof. R. S. Bedwal, Prof. Reena Mathur, Prof. N. P. Singh and Prof. G. C. Jain (Former HoDs) Department of Zoology for providing me various facilities, their valuable suggestions and support during this research work.

I hereby express my deep sense of gratitude to Dr. Arun Chaugle and Dr. K. S. Jheeta for providing me irradiation facilities at Radiation and Cancer Department, SMS Hospital, Jaipur.

I would like to take this opportunity to express my gratitude to my seniors and colleagues Dr. Ravindra Samarth, Dr. Meenakshi Samarth, Dr. Jinu Paul, Dr. Aditya Kochar, Dr. Ashok Kumar Yogi, Dr. Dinesh Kumar Saini, Dr. Priyanka Dhakar, Dr. Priyadarshi Meena, and Dr. Sonal Dhobal for their
cooperation, constant encouragement, motivation, kind and helping tendency for throughout my research work.

I am also thankful to Shri R. C. Vijay (PS), Shri Gopal Lal Balodiya (Store-keeper), Shri Manohar Singh (Cashier), Shri R. S. Chauhan (Technical assistant), Shri Deepak Shrivastava (Librarian), Shri Man Singh (Chaukidar) and other office-staff of the department for their cooperation, enthusiastic support and timely help.

I feel immense pleasure to express my sincere thanks and gratitude to all the teaching and the non-teaching staff of the Department of Zoology for helping me in one way or another.

Thanks are due to all my friends especially Dr. Sunil Kumar Sharma, Manoj Saini, Kailash Saini, Mahesh Meena, Ravindra, Anil Kumar, Ram Singh and Gaurav Kumar for their constant help.

I feel indebted to my parents Late Shri Teja Ram Saini & Smt. Darkali Devi who have always been a guiding light and an ideal for me. Words cannot express the gratitude that I owe them. I am also thankful to my brothers Mr. Girdhari lal, Mr. Suresh Kumar and especially Mr. Harphool Saini for providing me all kind of cheering and emotional backup during my research work. I would not have been able to successfully handle this Herculean task without their constant inspiration and support.

In addition, I wish to express deep respect and heartfelt gratitude to my father-in-law Shri Jai Prakash Saini and mother-in-law Smt. Prabha Saini for their continuous inspiration, support, affection and endless love.

I would greatly appreciate my wife Dr. Shivi for being the pillar of strength during all the tough times of this study. My success would not have been possible without her encouragement, understanding, positive attitude, support and sacrifices.

I gratefully acknowledge the financial assistance provided to me by the University Grants Commission of India as junior research fellowship.

(Om Prakash Saini)
