

ACKNOWLEDGEMENT

“Every journey has its end and reaching one's destination is not a personal success, but is the eloquent victory of the crew who keep the ship diligently and splendidly ahead triumphing over the tempest”. I feel highly privileged in seeking this opportunity of paying tribute and offering my thanks to all the people who have helped me in various ways during this study.

*I express my gratitude and profound indebtedness to my research guide **Dr. Vithal M. Kulkarni**, Professor Emeritus, Poona College of Pharmacy, Pune. I am highly honoured to work under such a renowned, respectable, multitalented and genius person whose wisdom, intellectual power, experience and renaissance the scientific perspective of anyone work under him. Being himself a paragon of virtue, serenity and patience, he has inspired me in many ways. I feel lucky to work under his tutelage. He guided my efforts to maintain a focus on critical thinking that directed my interest in scientific research. His insights, careful attention to details and years of experience has helped to maintain the level of quality of my work. Words are not adequate if I try to express my feelings to Prof. V. M. Kulkarni, really it is my unforgettable experience of my life to work under a living legend of drug discovery and QSAR from past three decades. I always wish to get his guidance throughout my future career.*

*It is my privilege to extend my deep sense of thanks to **Dr. Shivajirao S. Kadam**, Vice Chancellor, Bharati Vidyapeeth Deemed University, Pune for the constant encouragement of quality research. His keen interest in developing and promoting the research activities in the Faculty of Pharmaceutical Sciences has been milestone in pharmaceutical research.*

*I am grateful to our beloved Principal **Dr. K. R. Mahadik**, for providing excellent research facilities required for the completion of my thesis work. His honesty and discipline towards research has always remained a constant source of encouragement for many of us. His affectionate words and ever available patience always kept me motivated to perform the best even in the oddest circumstances. Thanks for each kindly word, each silent token, that taught me to fight against all the odds.*

I am also thankful Dr. A. P. Pawar, Dean, Faculty of Pharmaceutical Sciences and Vice- Principal, Poona College of Pharmacy for his kind support, help and motivation during my research work,

I also want to thank my juniors Siddharth, Ganesh, Nishad, Nikhil, Vankat, Ritanjan, Nikhil, Priyanka for their help.

*My vocabulary goes vacant when it comes to thank my beloved parents- The emblems of love, affection and care. They stood behind and watched me go to be on my own. They gave much more than I ever asked. The values they instilled in me are my biggest strengths today. My affection and heartfelt gratitude for them is beyond the limits of inscription of words. Sometimes it becomes really hard to pick up the right words for those whose love and care is fathomless. All words could not sum up the contribution of **Aai** and **Baba** in my ascent to this achievement.*

*I am grateful to my elder brother **Dilip** and my Sister in law (**Vahini**) **Lata**, they have always been my strengths through thick & thin and always encouraged me to give my best. The smiling and cheerful faces of **Sanika** and **Om** kept me happy and encouraged during my research work.*

How can I forget, the tender love and care and silent support of all my students, all friends whose blessings, love, trust and motivation have made me achieve my goals in life.

*"To love someone deeply gives you strength. Being loved by someone deeply gives you courage". I am thankful to my Wife **Yogyata** for her patience, understanding, constant support, care and love. Her interest, devotion, constructive comments and valuable suggestions to my work have given confidence and led to its improvement.*

*How can I forget, the tender love and care, innocent smiles and silent support of my lovely daughter **Shubhada** whose love have made me to achieve my goals in life.*

Finally I would like to mention thanks for those whose names remain unmentioned here. Last but not the least; I am always grateful to God for blessing me with the most wonderful parents and also for giving me the strength and courage to face any situation in life.

Once again I would like to thank one and all who were directly or indirectly involved in the completion of my research work,

Thankfully I forever remain.....!
