My gratitude goes as well to Honbl’e Mrs.Swapnali Bhosale-Kadam who supported and encouraged me by going all her way out to help us in data collection process from the various five star hotels in Pune, thus making our journey smooth.

My special thanks to Dr. P.M. Bulakh for being a source of inspiration, Prof. A. M. D’Souza, Principal, BVDU-IHMCT,PUNE for his support and motivation throughout my study. I am also indebted to my friends and colleagues, not only for all their useful suggestions but also for being there to listen when I needed an ear.

I cannot forget the priceless contributions made by the women employees and the HR managers of all the luxury hotels in Pune, made to my study and I want to thank them for their valuable time and information that they have provided. My appreciation also goes to all those people who helped me in making contacts and distributing the questionnaire. This study would not have been possible without, Dr. Brownell and Dr. Ng for allowing me to use their survey for my study.
Words cannot express the feelings I have for my parents and my in-laws for their constant unconditional support - both emotionally and financially. Special thanks to my beloved son Parikshit who has equally been supportive.

Finally, I would like to acknowledge the most important person in my life – my husband Milind, who has been a constant source of inspiration and strength and a guide in my journey of life. There were times during the past three years when everything seemed dark and I was at times lost. His advices were always realistic and motivating enough to go ahead!
