ACKNOWLEDGEMENT

At the outset, I acknowledge with gratitude the Honorable Vice Chancellor, Dr. Shivajirao Kadam for granting me the permission to enroll for the Ph.D. program and his help and guidance throughout the period. His tenacity and purposefulness was the need of the hour to carry out this work.

I am very grateful to Dr. V.N. Karandikar, Director, Health Sciences, and Dr. P.M. Bulakh, Director, BCUD, Bharati Vidyapeeth Deemed University for their immense support, guidance and continuous encouragement.

My sincere thanks to Dr. Vivek Saoji, Principal, Dr. Sanjay Lalwani and Dr. Shahaji Deshmukh Vice-Principal, BVDU Medical College, Pune for permitting me to undertake this study.

My words would be extremely inadequate, but I express deepest gratitude to my guide Dr. Mrs. S.M. Vaidya, Professor and Head, Department of Physiology, BVDU Medical College, Pune, whose unflinching support, continuous motivation, keen interest and understanding throughout the tenure helped me to make this presentation possible.

I extend my sincere thanks to Dr. A.N. Kowale, Dr. Savita Mehendale, Dr.M.P.Dandare, Dr.K.M.Dandare, Dr.R.S.Garud, Dr.D.P.Sapre,
Dr. R. C. Nimbargi, Dr. V. G. Jaltade and Dr. Sadhana Joshi for the help rendered and for their critical support during the study.

I am also very grateful to The Thrifty Jerry team of Dr. C. S. Yajnik, Dr. Anandwardhan Hardikar, Dr. Sarang Satoor, Dr. Kishori Apte, Dr. Sanjeev Galande and Dr. Mahesh Karandikar for their help, support and guidance in my work.

I also thank Dr. H. G. Deshpande, Dr. Harsh Kumar and Dr. Archana Buch from the D. Y. Patil Medical College, Pune for their help in this study.

I also thank all my departmental colleagues, staff members for their support during the study and Mrs. Anuradha Joshi, for her help in preparation of manuscript.

I am deeply indebted to my family members for their adjustments, understanding and continuous support, especially my father, Dr. Surendra Purandare for his timely advice in my academic journey. I express my heartfelt appreciation to my husband, Dr. Mahesh Karandikar, for his research aptitude and immense support which helped me to remain motivated and focused. Without their help this work would not have been possible.
