ACKNOWLEDGEMENTS

I wish to express my deep sense of gratitude to my supervising teacher Dr. V.J. Kuttyamma, Reader, Division of Marine Biology, Microbiology and Biochemistry, School of Marine Sciences, Cochin University of Science and Technology, for her guidance, encouragement and for scrutinising the manuscript and for suggesting improvements.

I place on record that I am greatly indebted to Prof. Dr. N.R. Menon, Head, Division of Marine Biology, Microbiology and Biochemistry, School of Marine Sciences, Cochin University of Science and Technology for initiating me to work in the field of aquatic toxicology and for his keen interest shown throughout the period.

I wish to express my sincere gratitude to Prof. Dr. P.N.K. Nambisan, Director, School of Marine Sciences, Cochin University of Science and Technology for his affection and encouragement.

I thank the authorities of Cochin University of Science and Technology for providing me all the necessary facilities for the successful completion of my research work.
I am deeply indebted to Dr. A. Mohandas, Reader, School of Environmental Studies, Cochin University of Science and Technology and to Dr. S. Radhakrishnan, Lecturer, Department of Aquatic Biology, University of Kerala for the encouragement, for critically going through the manuscript and for suggesting improvements.

I acknowledge with thanks the invaluable assistance and co-operation rendered by Dr. V. S. Jalaja Kumar, Dr. K. Santhosh, Ms. K. Sasidharan, U.K. Menon, Purandara Bekel, Asok Kumar, Philip Mathew, Miss Shiny Sreedhar and few of my friends who helped me at various stages of my research work.

The financial assistance received from the Council of Scientific and Industrial Research, New Delhi, by means of research fellowship is gratefully acknowledged.

I am thankful to Shri. S. Vancheeswaran of Ms. Associates, C.L.C. Road, Cochin-16, for getting the manuscript typed in time.

Last but not to the least, I am thankful to the non-teaching staff of the School of Marine Sciences, who, in one way or other, helped for the successful completion of my research work.
