Acknowledgments

I am deeply indebted to Prof. Kattera A. Suresh for his inspiring and invaluable guidance. I sincerely thank him for his enormous patience, sustained encouragement and various helps during the entire course of this work. It has been a pleasure for me to work with him.

I am grateful to Prof. Sandeep Kumar and Santanu Kumar Pal for synthesizing some very interesting molecules. I would like to thank Prof. Sandeep Kumar for helpful discussions on basic chemistry. I have learned many things during several hours of discussions with him.

I am thankful to Prof. V. Lakshminarayanan for his keen interest in my research work and constant encouragement. His valuable suggestions regarding scanning probe microscopy have helped me a lot. I am also thankful to Dr. Reji Philip for his interest in my research work.

I thank Prof. G. S. Ranganath for many useful discussions on various issues related to physics in daily life.

I would like to thank Prof. N. Kumar, the former Director, for his keen interest and encouragement in my research work. I would also like to thank Prof. Ravi Subrahmanyan, the present Director, for his encouragement.

I thank Dr. V. A. Raghunathan, Prof. N. V. Madhusudana, Prof. B. K. Sadashiva, Prof. N. Udaya Shankar, Dr. Yashodhan Hatwalne, Prof. T. N. Ruckmongathan, Dr. Ranjini Bandyopadhyay, Dr. R. Pratibha, Dr. Arun Roy, and Dr. D. Vijayaraghavan for their interest in my work.

I thank the staff of chemistry laboratory for providing distilled water and various solvents. I am very thankful to the staff of LC laboratory, M. Mani, H. Ram, and A. Dhasan for their help in workshop related jobs. I would like to thank A. R. Shashidhara and M. Jayadevaiah for their help in technical matters. I thank Mrs. K. N. Vasudha for carrying out spectroscopy of samples and K. Radhakrishna for his assistance regarding official works.

I would like to thank Ms. Kavya Uthaiah who helped me not only as a technical assistant but also as a very good friend.

The library of RRI has a very good collection of books and research journals. I express my deep gratitude to the highly efficient and helpful library staff. I would like to thank Jacob Rajan,
Sridhar, Nandakumar, and CMC engineers for their prompt help related to computers.

I thank Shri K. Krishnamaraju and Shri K. R. Shankar for their many helpful suggestions on administrative matters and timely help at various occasions. I would like to express my sincere thanks to the people at administration and accounts department for handling my official issues.

I am thankful to the canteen staff who always cheerfully provided hygienic food.

My thanks to Viswanath, Raj Kumar, Amit and Bharat for providing friendly environment in the laboratory and their cooperation and help in various ways.

My sincere thanks to Bharat and Suresh for patiently going through the thesis chapters and pointing out some errors.

It is my pleasure to thank all my senior and junior fellows, Sanat, Sajal, Brindaban, Mohanapriya, Rahul, Sandeep, Antara, Arif, Jayakumar, Radhakrishnan, Tripta, Bibhu, Hari, Rakesh, Nagaraju, Radhika and Satyam for their friendly and cheerful behavior. I had a wonderful time at RRI in the company of these people. My thanks to everyone at RRI for their cooperation which made my stay enjoyable.

Many thanks to my brothers and sisters for the prayers and wishful thinking for me. Together we share fond childhood memories and I develop a sense of wistfulness for the days gone by as I write these lines.

I feel a deep sense of gratitude for my father and mother who taught me the good things that really matter in life. I owe my parents much of what I have become. They put education as topmost priority in my life, and raised me to set high goals for myself. I dedicate this work to them to honor their love, patience and support during these years.
