1. Temperature, Humidity and Wind velocity (Tirupati)
2. Sunshine hours, Pan Evaporation and Compound Evaporation (Tirupati)
3. Rainfall data
4. Distribution of Rainfall at different stations
5. Scheduled Tribes of the district (1961)
6. Land Utilization in the Study Area in hectares
7. Loci and Typewise distribution of Lower Palaeolithic Shaped Artefacts
8. Loci and Typewise distribution of Lower Palaeolithic simple artefacts
9. Shapewise classification of Lower Palaeolithic Handaxes
10. Shapewise distribution of Lower Palaeolithic cleavers
11. Typewise distribution of choppers
12. Frequency and percentages of Length range for handaxes
13. Frequency and percentages of Breadth range for handaxes
14. Frequency and percentages of Thickness range for handaxes
15. Frequency and percentages of B1 range for handaxes
16. Frequency and percentages of B2 range for handaxes
17. Frequency and percentages of L1 range for handaxes
18. Frequency and percentages of T1 range for handaxes
19. Frequency and percentages of L1/L range for handaxes
20. Frequency and percentages of B1/B2 range for handaxes
21. Frequency and percentage of B/L range for handaxes
22. Frequency and percentages of TH/B range for handaxes
23. Frequency and percentages of T1/L range for handaxes
24. Frequency of main classes of shaped tools in the adjoining sites
25. Loci and typewise distribution of Middle Palaeolithic artefacts
26. Frequency and percentages of Middle Palaeolithic scraper variants
27. Typewise distribution of Middle Palaeolithic artefacts in the Adjoining sites
28. Loci and typewise distribution of Upper Palaeolithic simple artefacts
29. Loci and typewise distribution of Upper Palaeolithic shaped artefacts
30. Loci and typewise distribution of Upper Palaeolithic side Scraper variants
31. Frequency distribution of burin variants
32. Frequency distribution of Length of Upper Palaeolithic and Mesolithic Blades from the study area
33. Loci and typewise distribution of Mesolithic simple artefacts
34. Loci and typewise distribution of Mesolithic shaped artefacts
35. Distribution of the total population and tribal population in Andhra Pradesh district (1961 Census)
36. Distribution of Male and Female tribal population in Andhra Pradesh tribewise 1961 Census.
37. Distribution of Yanadi population in Rayalaseema area and its comparison with its general population
38. Distribution of Yanadi population districtwise in Andhra Pradesh and its comparison with the General population.
