

Acknowledgement

I express my sincere thanks and gratitude to Dr. C. Srinivas, Associate Professor, Dept. of Microbiology and Biotechnology who gave me an opportunity to pursue doctoral research under his supervision and guidance.

I would like to express my sincere gratitude to Prof. S.K. Sarangi, Chairman, Dept. of Microbiology and Biotechnology, Bangalore University, Jnanabharathi Campus, Bangalore. I would like to thank the former Chairmen, Prof. S. Chidananda Sharma and Prof. K. Manjunath, for their encouragement during the course of my study.

I also thank Dr. Manjula Kumari, Associate Professor, Dept. of Microbiology and Biotechnology, Bangalore University, Bangalore for encouraging me to pursue research.

I wish to express my special thanks to all the dignitaries who helped me solve the field and practical issues regarding the characterization of secondary metabolites from endophytic fungi. I am grateful to Dr. Venkataramana, DRDO, Mysore for helping me perform toxicity studies of the compound.

I would appreciate the cooperation of Dr. Madhusudhan Reddy, Molecular Biophysics Unit, and Dr. Kamalraj, Dept of Biochemistry, Indian Institute of Science, Bangalore, India, during my research.

I extend my heartfelt thanks to Prof. K.R. Prabhu, Dept of organic Chemistry and Prof. Suryaprakash, NRC, IISc, Bangalore, for their valuable suggestions and also thank Prof. T.N. Guru Row and Vijith Kumar, Solid State and Structural Chemistry Unit, Indian Institute of Science, Bangalore, for X-ray crystallography studies.

I thank Mahesh, Muralidhar, SID facility and Arun, NRC, IISc and Bangalore.

My heartfelt thanks to Dr. A.C. Udaya Shankar Department of Studies in Biotechnology, University of Mysore, Mysore.

I owe my thanks to my colleagues Nirmala Devi D., Narasimha Murthy K., Fazilath Uzma., Shubha J. and Anil Kumar M. for their support during research work carried out.

I also thank Research Scholars of the Department Soumya K., Naveen Kumar M., Babu. R.L., Harish B.M., Divakar Y.G., Lakshmeesha T.R., Sreelatha G.L. and Vedashree S. for sharing with me many happy memories to treasure.

I thank my seniors Dr. Asha B.B., Dr. Chithrashree G.S. and Dr. Sunitha V. Hegde for being very cooperative.

I extend my gratitude to all the faculty members of this department Dr. Girisha S.T., Dr. M.K Sateesha, Dr. M. Sreepriya, Dr. T. Ravikiran and Dr. R. Laxminarayana.

I thank my best friends Ravikumar G., Gopi A., Ravikumar K., Praveen Jamakandi and Puneeth S.B. for encouraging me during hard times.

I am extremely grateful to my Parents Sri. Alurappa and Smt. Girijamma, and family members for their encouragement and being totally supportive throughout my studies.

I would like to express my heartfelt gratitude to all the people who have contributed to successful completion of the present research work.

Ramesha. A
