ACKNOWLEDGEMENTS

I take this opportunity to thank many who have helped me to complete this piece of research. I thank my guide, Prof. Usha Ram, who contributed a lot to my journey through the life and guided me to formulate as well as execute this research. My sincere thanks are due to Dr. B. R. Shejwal, for the guidance in statistical analysis, to the Head of Psychology department, Prof. P.H. Lodhi, for constructive suggestions, to my colleague Dr. Alpana Vaidya, Head of Psychology Department, Symbiosis College. My special thanks to Dr. K. V. Indapurkar, Bharati Vidyapeeth, who helped me to understand some of the concepts particularly *tridosha* and to collect the data from her students. I am grateful to all the students who contributed to the study. My sincere gratitude to the office staff of Department of Psychology and of Jayakar Library who helped me in some way or the other.

I take this opportunity to gratefully acknowledge the financial assistance extended to me for this research by ICCR.

Time spent on this work was certainly reduced due to my son Tamir’s help. Last but not the least, a big thank you to my parents for everything!
