

## LIST OF PUBLICATIONS

### I. INTERNATIONAL PUBLICATIONS:

1. Chakraborty, K.K. and Naik, S.R. (1997) In-Situ liposomal preparations containing amphotericin B: Evaluations of haemolytic toxicity. 11<sup>th</sup> International symposium on microencapsulation, August 27 – 29, Bangkok, Thailand.
2. Chakraborty, K.K. and Naik, S.R. (1998) Analysis of In-Situ liposomal preparation derived from proliposomes. International symposium on natural origin substances in drug formulation. 4 – 6 November, Beijing, China.
3. Harindran, J., Chakraborty, K.K. and Naik, S.R. (1999) Preparation, Relative toxicity and Therapeutic efficacy of liposomal HA – 1 – 92, A new oxohexaene polyene macrolide antibiotic. *J. Of Pharmacy and Pharmacology*, 51: 771 – 776.
4. Chakraborty, K.K. and Naik, S.R. (1999) Stabilization of In-Situ liposomal preparation derived from proliposomes containing amphotericin-B complexed with different chemically modified  $\beta$ - cyclodextrins, International symposium on Lipid and Surfactant dispersed systems 26 – 28 September, Moscow, RUSSIA.
5. Chakraborty, K.K. and Naik, S.R. (2000) In-Situ liposomal preparation containing amphotericin B and its related toxicity and tissue disposition studies. *Journal of Pharmaceutical Development and Technology* (In press).
6. Chakraborty, K.K. and Naik, S.R. (2000) pharmacokinetic studies of In- Situ liposomal preparation containing amphotericin B complexed with different chemically modified  $\beta$  – cyclodextrin. *J. Of liposome research* (In press).

### II NATIONAL PUBLICATIONS :

1. Chakraborty, K.K. and Bannerjee, S.K. (1996) Analysis of In- Situ liposomal preparation. Indian Pharmaceutical conference, 26 – 28 December, Chennai, India.  
Abstract No. A10, pp 3.
2. Chakraborty, K.K. and Naik, S.R. (1997) Cryoprotection and drug leakage from In – Situ liposomal preparation. National symposium on Mycosis. 4 – 7 May, Delhi, India.  
Abstract No. 26, pp 90.
