This work entitled, '**Dharwad District under the Early British Rule, 1818 - 1860**', incorporates some of the material presented, by me, in an M.Phil. dissertation called '**The British Agrarian Settlements in Dharwad - 1818 - 1860**', submitted for the degree of Master of Philosophy in History, in October 1984, under the guidance of Dr. K.N. Chitnis. The material obtained from several sources had been duly acknowledged in the dissertation at that time.
