
ACKNOWLEDGEMENT

I am profoundly grateful to my guide, **Dr. (Mrs.) Anjali A. Athawale**, whose guidance at each and every stage of my research work proved extremely invaluable. I express my deep sense of gratitude towards her for her encouraging support as well as constructive criticism throughout the tenure. I am grateful to her for cultivating good principles in me. I am also thankful to Akshay and Athawale sir who have always care and concern.

My special thanks to Prof. R. S. Kusurkar, Head, Department of Chemistry, University of Pune, Prof. B.S. M. Rao and Prof. S. B Padhye former heads of the Department, Dr. L.S. Prabhumirashi and Dr. (Mrs.) Chandwadkar, Catalysis Division, NCL, for providing me all the necessary laboratory facilities.

My sincere thanks are due towards Bharati and Arati from IIT, Bombay as well as Dr. Ramani for providing the TEM analysis.

I am thankful to my colleagues, Ms. Megha, Mrs. Hema, Mrs. Malini , Mr. Mohammed, Mr. K. NavinKiran, Mr. Purushottam, Dhamane sir, Nikam Sir, Dr. S. V. Bhagwat, Dr. Kher, Dr. Chabukswar for their extended co-operation and creating friendly and cheerful atmosphere all the time.

My special thanks are due towards the Founder President, Prof. V. N. Navale, Sinhgad College of Engineering, Dr. Patwardhan, Director and Principal, Dr. Padalkar for granting me permission and direction during the completion of the Thesis.

I would also like to thank all Head of the Departments, seniors and colleagues from SCOE, for their timely help.

I would like to appreciate with great profound happiness, my inlaws and husband, Mr. Kalyan Diwan for their constant support and patience during the tenure of this work whose unstinted support enabled me to crawl to reach to the present level of the uphill task.

Words fail to express my thanks towards my sister, Prajakta and my parents who always stand by me by all means.

I am grateful to University of Pune and CSIR, New Delhi, India for providing the financial assistance by awarding me the Research Stipend and Senior Research Fellowship respectively for carrying out my research work.

Ms. Prachi P. Katre
Department of Chemistry,
University of Pune,
Pune 411 007,
India.
