

ACKNOWLEDGEMENTS

Research is a systematic study on a concept and requires proper guidance and support technically and mentally. There are many people around me who helped in all ways to achieve this fruitful result. Here is where I can place my gratitude to all those who inspired me and helped me in achieving my goal.

A supervisor should be a guide and a mentor. These qualities were abundant in my supervisor, Dr. Pethuru Raj, Cloud Architect, IBM Global Cloud Center of Excellence (CoE), IBM India, Bengaluru. I would like to place my gratitude for the guidance provided and leading me in right path throughout the research work. He was tolerant enough to go through my work and correct me when I was wrong, each time I approached him. His taste to perfection and qualities are worth being appreciated.

I express my sincere thanks to Dr. Fr. Thomas C. Mathew, Vice Chancellor, Christ University, Dr. Fr. Abraham V. M., Pro Vice Chancellor, Christ University, Prof. Anil Pinto, Registrar, Christ University, Dr. Fr. Varghese K. J, Chief Finance Officer, Christ University, Fr. Jossy P. George, Director, Christ Institute of Management, Lavasa, Pune, Dr. Tony Sam George, Additional Director, Centre for Research, Christ University, Dr. Shivappa B. Gudennavar, Associate Director, Centre for Research, Christ University , Dr. Sebastian K.A., Professor, Christ University for their support and guidelines.

I place my admiration to Head of the Department, Prof: Joy Paulose for his noble thoughts and ideas that is always an inspiration to me. I thank my dear friend and colleague Deepa V. Jose who has given me full

support throughout the period of research both technically and emotionally. The stimulating discussions we had always given me fruitful results. True friends relieve the stress. I am blessed to have a bunch of school friends from Jawahar Navodaya Vidyalaya who always relieved my stress and made me happy.

I am grateful to the blessings showered on me by my parents V.Madhavan Nair and Lakshmi A, because of whom I am what I am today. I owe my love to my sisters Jayasree A, Sreelatha A, Usha A and brother Suresh A who gave me all the support I needed during this period. I thank my husband M.Sasidharan and my children Hridya and Manav whose love and support during this period is beyond words to express.

Thank you, dear Lord for placing all these beautiful souls around me who pondered love and support in various ways to achieve my goal.
