2.6 Migrants during period extending from 1947-1951 | 43
2.7 Migration to Pune from states during 1961 - 1991 | 46
2.8 Proportion of migrants and natural increase in Pune 1961-1991 | 62
2.9 Migrant population per 10,000 population of the sending states in 1961,1971,1981,1991 | 63

**Chapter III**
3.1 Difference between migration data given in migration tables and calculated by author | 74
3.2 Difference between migration data given in migration tables and calculated by author for the Million cities of India in 1971 | 76
3.3 Difference between migration data given in migration tables and calculated by author for the Million cities of India in 1981 | 77
3.4 Difference between migration data given in migration tables and calculated by author for the Million cities of India in 1991 | 78
3.5 Population, demographic factors, migration and natural increase in the growth of population of the Million cities in 1971

3.6 Population, demographic factors, migration and natural increase in the growth of population of the Million cities in 1981

3.7 Population, demographic factors, migration and natural increase in the growth of population of the Million cities in 1991

3.8 Volume and percentage of migrants to Pune city from the different regions of Maharashtra (1961-1991)

3.9 Volume and percentage of migration from different regions of India to Pune from (1961-1991)

3.10 Volume and percentage of migrants from various countries to Pune city from (1961 – 1991)

3.11 Relationship between Distance in Kms. between Pune city and Districts headquarters and number of migrants in 1961

3.12 Relationship between Distances in Kms. between Pune city and State Capitals and number of migrants in 1961.

3.13 Relationship between Distance in Kms. between Pune city and Districts headquarters and number of migrants in 1991

3.14 Relationship between Distance in Kms. between Pune city and State Capitals and number of migrants in 1991

3.15 Reasons of migration to Pune City

Chapter IV

4.1 Capacity and Water supply of Khadakwasla dam to Pune

4.2 Correlation Matrix of relationship between volumes of Migration and different factors for States of India 1961

4.3 Correlation Matrix of relationship between volumes of migration and different factors for States of India 1991

4.4 Correlation Matrix of relationship between volumes of migration and different factors for Districts of Maharashtra 1961

4.5 Correlation Matrix of relationship between volumes of
Chapter V

5.1 Total population and migrant population of the four cities of Maharashtra in 1961 and 1991.

5.2 Sex Ratio of migrants in the four cities of Maharashtra in 1961 and 1991

5.3 Age and sex structure of migrants for the four cities of Maharashtra in 1961

5.4 Age and sex structure of migrants for the four major cities of Maharashtra in 1991

5.5 Male and Female Migrants in different age groups for the four cities of Maharashtra in 1961

5.6 Male and Female Migrants in different age groups for the four cities of Maharashtra in 1991

5.7 Occupational Structure of Migrants in Different Activities for the four Cities of Maharashtra in 1961

5.8 Occupational Structure of Migrants in Different Activities for the four Cities of Maharashtra in 1991

5.9 Percentage of Literate Migrants to total migration in 1961 and 1991

5.10 Educational Attainment of Migrants in the four Major Cities of Maharashtra in 1961

5.11 Educational Attainment of Migrants in the four Major Cities of Maharashtra in 1991

5.12 Marital Status of Migrants in the four Cities of Maharashtra in 1961

5.13 Marital Status of Migrants in the four Cities of Maharashtra in 1991
Chapter VI

6.1 Age of the Migrants 164
6.2 Education of the Migrants 166
6.3 Educational Attainment of Migrants 168
6.4 Marital Status of the Migrants 169
6.5 Native Places of the Migrants' Wives 171
6.6 Occupation of the Migrants' Wives 172
6.7 Number of Children of Migrants' 173
6.8 Reasons for the migration 175
6.9 Occupational Structure of Migrants 177
6.10 Sending regions and participation in occupational category of migrants 179
6.11 Sending regions and participation in occupational category of migrants 181
6.12 Income of the Migrants 184
6.13 Growth of the slums in Pune 186
6.14 Type of house of the migrants in the Pune city 187
6.15 Ownership of House 188
6.16 Remittances to the Native Places 191
6.17 Migrants visits to the native places 192
6.18 Reason for the migration 194
6.19 Reason for the living together (forming enclaves) 196
