Above all I am indebted and shall ever remain indebted to my mother and Garg, Saab who stood by me in my cheerful and depressing moments of life and provided the much-needed haven while I was engaged in my doctoral work.

I am grateful to my niece Nikki who at no stage was associated with my thesis work but yet her emotional interludes made all the difference. Her everyday pranks and tantrums provided all the vigour – needed to do research work.

I am grateful to Sunil Gulati for making the thesis presentable.
