Acknowledgement

Writing an acknowledgement is a matter of great responsibility while one thinks of putting in words the tremendous work in a single bounded form of a Thesis. As today I am giving the final touches to this work, I deeply feel indebted to a number of people from different walks of life who all through these years of my research have been helping me directly or indirectly for the completion of this work.

At the outset I would like to put on record my sincere gratitude towards my guide, Professor S. R. Jog. I am most indebted to him for his guidance and help all through the completion of this work. Not only his attitude, approach and manner of dealing any particular aspect but also the total perspective of observing, understanding and interpreting the things has deeply influenced me. His personal supervision of my research work and keen interest in it was always a source of inspiration for me. The influence of his ideas, concepts and thoughts on me is manifested in this work. His timely encouragement and support has helped me for completion of this work. Of all I am highly grateful towards him for making this research a great learning experience in itself. I owe him more than what I can express.

I wish to thank Professor V. S. Kale, Head, Department of Geography, University of Pune, for providing me the necessary technical support during this work. I would also like to thank all my teachers for their support during the course of this study. I also thank the non-teaching staff of the Department of Geography, University of Pune for their cooperation.

I take this privilege to specially thank Professor Jaymala Diddee, former Head, Department of Geography, University of Pune for her timely help and guidance.

I thankfully acknowledge the libraries of Pune University, Pune, Central Water and Power Research Station (C.W.P.R.S), Khadakwasa, Pune, and National Institute of Oceanography (NIO), Dona Paula, Goa for providing library facilities. I sincerely extend my gratitude towards the scientists, Dr. A. R. Gujar, Dr. T. G. Jagtap, Mr. V. Sanilkumar, Dr. Borole and Mr. Vijayan Fernando from NIO, Goa for their valuable guidance in the initial stage of my research work.

I wish to thank Dr. Steven Hughes, Research Hydraulic Engineer, U. S. Army Engineer R & D centre, Vicksburg, MS for providing me certain articles on inlet hydrodynamics. I am also indebted to Dr. S. N. Karlekar, Professor R. K. Sukitankar and Professor S. S. Thigale for their time-to-time discussions and valuable suggestions. I thank Nandita Sarkar for finding all the time to search and provide me with some valuable articles.
A special mention goes to all my friends who constantly supported me all through this work. It would not have been possible for me to complete this work without their mental and moral support. I wish to thank Reshma Sheikh, Charmaine Anne Lewis, Savita Borse, Nikhil Shejwalkar, Dr. N. N. Sawant, Alpha Dash, and Chetan Natu for their great support. I would also like to thank Dhanashri Chokkar, Zeenatunnisa Khan, Sanjay Sangale, Abhinav Kurkute, Deepali Gadkari, Tushar Shitole, Ajay Kamble, Prashant Magar, Sudhakar Pardeshi, Jagdish Sapkal, Mandar Chaphekar and a number of other friends for their valuable help during the various field visits. I wish to thank Himmat Raut and Sandeep Bhise for their help in laboratory work. I am highly grateful to Subhamita Chaudhuri who has been a great help in and out of the field. I admire and acknowledge her presence in my life as an added asset for the completion of this work.

I would like to extend my gratitude towards all the family members of Professor S. R., Jog.

I am extremely thankful to Shri Dileep Paldhe of Shrivardhan and his family for their warm hospitality during the fieldwork. I would like to put on record my sincere thanks towards the residents of Arvi, Valvati and Khargaon area for their active cooperation. I thank Sushant Patil from Kalinje for his help during the field surveys.

I would also like to thank all my students who accompanied and helped me during the various field surveys. I thank Nandini Roy Chowdhury for painstakingly checking the final draft.

I owe a lot to my parents who all through this work were a constant support. I humbly acknowledge the strong support given by my parents and by my brother, Abhijeet, Sister-in-law, Swapna and niece Rajyuta.

I would like to express a deep sense of gratitude towards my in-laws for their help and encouragement, specially my mother-in-law for bearing with me and supporting me in every possible way.

Last but not least my heartfelt thanks goes to my husband - Amit, who bore with my tantrums and yet remained a constant source of encouragement and support during the entire course of completion of the present work. I am extremely thankful to him for meticulously going through the final draft and editing the same.

I am thankful to the Almighty that this work saw the light of the day.
