Chapter I	Introduction	1
Table 1.1	Automobile production in India during the period 1999 to 2003	15
Table 1.2	Demographic characteristics of Pune district	16
Table 1.3	The vehicle population of passenger vehicles in Pune region and the percentage growth, year over the year	18
Table 1.4	Table showing the advertising expenditure of Indian automobile manufacturers	24
Table 1.5	Number of 4-wheeler vehicles sold in India during April 1999 to March 2003	26
Chapter II	Literature Review	
Figure 2.1	Number of contacts between the manufacturers and their customers	46
Figure 2.2	Typical product life cycle	50
Chapter IV	Profile of the passenger vehicles manufacturers in Pune region	
Figure 4.1	Number of 2-wheeler and 4-wheeler manufacturers that have distribution network in Pune region	75
Table 4.1	The channels of distribution through which the manufacturers sell vehicles in Pune region	76

Table 4.2	The number of dealers of each manufacturer in Pune region	77
Table 4.3	Location of the dealers	78
Figure 4.2	Number of 2 and 4-wheeler dealers located in the Pune region	78
Table 4.4	Factors of exclusivity of the dealers appointed by the manufacturers in Pune region	79
Table 4.5	Factors taken into consideration by the manufacturers while deciding the need of a dealer	80
Table 4.6	The weightage assigned by the manufacturers in deciding the need of a dealer in Pune region	81
Figure 4.3	The flow chart of the dealer's selection process	83
Table 4.7	Manufacturers' preferences about the dealer's premises	84
Table 4.8	Qualities of a dealer that manufacturers look for	85
Table 4.9	Range of investment and infrastructure requirement of 2-wheeler manufacturers in different locations in Pune region	86
Table 4.10	Range of investment and infrastructure requirement of 4-wheeler manufacturers in different locations in Pune region	87
Table 4.11	Presence of a dealer helps the manufacturers	88

Table 4.12	Supply of vehicles to the dealers	89
Table 4.13	Minimum stock level expected to be maintained by the dealers	90
Table 4.14	Number of manufacturers who supported their dealers financially	91
Table 4.15	The number of manufacturers that set targets for the dealers on different criteria	91
Table 4.16	Number of manufacturers those involve their dealers in launching of new model of vehicles	92
Table 4.17	Training imparted to the dealers by the manufacturers	93
Table 4.18	Number of manufacturers who monitor the dealer's satisfaction	94
Table 4.19	Opinion of the manufacturers about the presence of dealers	94
Table 4.20	The best term to describe the relationship between the manufacturers and their dealers	95
Table 4.21	Manufacturers' belief about the dealers' are being strategically located	96
Table 4.22	The number of manufacturers who believed that the number of dealers were optimal	97
Table 4.23	Different reasons for the manufacturers to believe the number of dealers are optimal	98

Table 4.24	The number of manufacturers who have increased their dealers in last 5 years	99
Table 4.25	Reasons for increasing the number of dealers in Pune region	99
Table 4.26	The number of manufacturers that have decreased the number of dealers in Pune region	100
Table 4.27	Reasons for decreasing the number of dealers in Pune region	101
Table 4.28	Number of manufacturers who plan to change their channels of distribution	101
Table 4.29	Opinion of the passenger vehicles manufacturers about 'Internet' being an effective channel of distribution in the near future	102
Table 4.30	Viewpoint of the manufacturers about an idea of selling different brand of vehicles under the same roof	102

Chapter V The profile of the dealers in Pune region

Table 5.1	The number of passenger vehicle dealers, vehicle type and the location of the dealers in Pune region	104
Figure 5.1	Distribution of automobile dealers vehicle type, location in Pune Region	105
Table 5.2	Exclusiveness of the dealers in terms of different factors, vehicle type, in Pune region	105

Figure 5.2	Number of dealers exclusive in terms of territory of operation, vehicle type in Pune region	106
Figure 5.3	Number of dealers exclusive in terms of vehicles serviced, vehicle type in Pune region	107
Figure 5.4	Number of dealers exclusive in terms of spare parts sold, vehicle type in Pune region	107
Table 5.3	Type of business concern of the 2-wheeler dealers, location wise in Pune region	109
Figure 5.5 (a)	Type of business concerns of the 2-wheeler dealers located in the city area	111
Figure 5.5 (b)	Type of business concerns of the 2-wheeler dealers located in the district area	111
Figure 5.5 (c)	Type of business concerns of the 4-wheeler dealers located in the city area	111
Table 5.4	Person in charge of the dealer's showroom, vehicle type and location wise, in Pune region	113
Table 5.5	The number of passenger vehicle dealers who were in some profession before taking up the dealership, vehicle type and location wise in Pune region	115
Table 5.6	Percentage of dealers who were in business related to automobiles prior to taking up the dealership in Pune region	116
Table 5.7	Reasons for taking up the dealership	117
Table 5.8	Ownership status of the showroom of the dealers, type of vehicle and location wise in Pune region	119

Table 5.9	Table showing the Minimum and the maximum area of the 2-wheeler dealer's premises location wise in Pune Region	120
Table 5.10	Percentage of dealers that have workforce purely on commission, type of vehicle, location wise in Pune region	121
Table 5.11	The number of dealers who received support from the manufacturers in the initial stages of the dealership, type of vehicle, location wise in Pune region	122
Table 5.12	The number of dealers who provide services to the customers on extended days of the week in Pune region	123
Table 5.13	The dealers who provide services to the customers on extended working hours of the day in Pune region	124
Figure 5.6	The number of 2-wheeler dealers in Pune region who provide services to the customers on the extended working hours of the day	125
Figure 5.7	The number of 4-wheeler dealers in Pune region who provide services to the customers on the extended working hours of the day	126
Table 5.14	Percentage of passenger vehicle dealers who provide vehicle test rides at the show room in Pune region, vehicle type and location wise	126

Table 5.15	Percentage of passenger vehicle dealers who provide vehicle test rides at the customer's requested premises, vehicle type and location wise in Pune region	127
Table 5.16	Percentage of passenger vehicle dealers who deliver the new vehicle at the customer's premises in Pune region, vehicle type and location wise	128
Table 5.17	Percentage of passenger vehicle dealers who send reminders for the periodical servicing of the vehicle, vehicle type, location wise in Pune region	129
Table 5.18	Percentage of passenger vehicle dealers who provide facility of pick up and drop of vehicles from the customer's premises for servicing of vehicles, vehicle type, location wise in Pune region	130
Table 5.19	The number of dealers those participate in the training programmes conducted by the manufacturers, vehicle type, and location wise in Pune region	131
Table 5.20	Participation level in the training programmes conducted by the manufacturers on a 10 point scale of 2-wheeler dealers, location wise in Pune region	132
Table 5.21	Participation level in the training programmes conducted by the manufacturers of on a 10 point scale of 4-wheeler dealers location wise, in Pune region	133
Table 5.22	Average level of participation of the dealers in the training programmes conducted by the manufacturers of the passenger vehicles, in Pune region	133

Figure 5.8	The level of participation of the 2-wheeler dealers in the training programmes conducted by the manufacturers, location wise in Pune region.	134
Figure 5.9	The level of participation of the 4-wheeler dealers in the training programmes conducted by the manufacturers, location wise, in Pune region	135
Table 5.23	The number of dealers who believed there exists system for redress of their complaints/grievances	136
Table 5.24	The percentage of passenger vehicle dealers in the Pune region who felt their business competitors were the dealers of the same brand	137
Table 5.25	The percentage of passenger vehicle dealers who felt their business competitors were the dealers of the other brand of vehicle in the Pune region	138
Table 5.26	Response of the passenger vehicle dealers if a new dealer of the same brand of vehicle is appointed in the area where the present dealer is located, type of vehicle wise, location wise in Pune region	139
Table 5.27	The number of passenger vehicle dealers describing their relationship with the manufacturers in Pune region	141
Table 5.28	Opinion of passenger vehicle dealers in Pune region, about selling the vehicles under the same roof	143

Chapter VI

Findings of the Study

Figure 6.1	The channel of distribution of new passenger vehicles in Pune Region	145
Figure 6.2	The emerging channels of distribution	146
Table 6.1	Passenger vehicle dealers, vehicle type and the location of the dealers in Pune region	148
Table 6.2	The factors of exclusiveness of the dealers in Pune region	149
Table 6.3	Number of dealers exclusive in terms of different factors, vehicle type	150
Figure 6.3	The years of operation of the dealers in Pune region	151
Table 6.4	Minimum stock level expected to be maintained by the dealers	153
Table 6.5	Standard spares stock in Rs	154
Table 6.6	The split up of the profit earned by the dealers in Pune region	155
Table 6.7	Number of manufacturers that impart training to their dealers in Pune region	156
Table 6.8	The number of manufactures that set targets to their dealers	157
Table 6.9	The number of manufacturers who monitor the performance of a dealer based on achieving of different targets	158

Table 6.10	Factors taken into consideration by the manufacturers while deciding the need of a dealer in city/town in Pune region	160
Table 6.11	Most preferred factors that are taken into consideration by the manufacturers of new passenger vehicles while selecting a dealer in Pune region	161
Figure 6.4	Scatter plot of the number of dealers of each manufacturer and their sales (Year 2003) in Pune region	162
Table 6.12	Association between the location of the dealers' premises and their attitude/ activities / functions	165

Chapter VII

Hypotheses Validation

Table 7.1	Association of exclusiveness factor, 'exclusive in terms of territory of operation' and sales during the years 2000-2003 (Spearman's rho Correlations)	177
Table 7.2	Association of exclusiveness factor, 'exclusive in terms of vehicles serviced with sales during the years 2000-2003 (Spearman's rho Correlations)	177
Table 7.3	Association of exclusiveness factor, 'exclusive in terms of spare parts stocked/sold with sales during years 2000- 2003 (Spearman's rho Correlations)	177
Table 7.4	Chi-Square Test	179
Table 7.5	Pearson correlation coefficient between the number of dealers in Pune region and the sales in the year 2000, 2001, 2002, 2003	181

Chapter VIII**Suggestions**

Table 8.1	Details of the model constructed	184
Table 8.2	Residuals Statistic associated with the model in table 8.1	184
Figure 8.1	Histogram of Normalised sales during year 2003	185
Figure 8.2	P-P plot of regression standardised residuals to test its Normality	185
Table 8.3	The number of manufacturers that monitor the dealers' satisfaction	188
Figure 8.3	The number of manufacturers those monitor the dealers' satisfaction	188
Table 8.4	Details of the model constructed	190
Table 8.5	Residual statistic associated with the model constructed in table 8.4	190
Figure 8.4	Histogram of the normalised sales during the year 2003	191
Figure 8.5	P-P plot of the regression standardised residuals	191
Figure 8.6	The scattered plot of the Number of 2-wheeler dealers of each manufacturer in Pune city and the Sales in the years 2003	195

Table 8.6	The number of manufactures that are planning to change their present channels of distribution	196
Table 8.7	The preferred alternate channels of distribution by the manufactures	198
Table.8.8	The opinion of the manufacturers about selling different brands of vehicles under the same roof	199
Table 8.9	The response of the dealers to the idea of selling different brands of vehicle under the same roof as 'Good idea'	200
Table 8.10	The response of the dealers to the idea of selling different brands of vehicle under the same roof as 'not a practical'	202
Table 8.11.	The response of the dealers to the idea of selling different brands of vehicle under the same roof as 'not acceptable idea'	204
