ACKNOWLEDGEMENT

The creation of any good work is an outcome of many a helping hands and my thesis is also not an exception to this. I am extremely grateful to all of them.

First and foremost, I would like to thank with gratitude, Dr. V. H. Inamdar, my guide for Ph. D., without whose motivation, encouragement and advice it would not have been possible to submit this thesis in time.

I acknowledge with thanks all the co-operation given by Dr. G. K. Shirude, Director, Prin. N.G. Naralkar Institute of Career Development and Research, Pune and the staff of the institute.

I am extremely thankful to all the respondents of the questionnaire from the industry who spent their valuable time in answering the pertinent questions.

Special mention must be made with thanks to Mrs. Sathe, Ph. D. section University of Pune, who very promptly and happily extended administrative help.

Last but not the least, is the active help given by my wife Manisha in typing and checking the printouts of the thesis. I sincerely thank her for the physical help in running about for completion and submission of the thesis.

Finally, I would like to extend my gratitude towards all those well-wishers who have stood by me for the completion of this present work.
