	CHAPTER ONE	
	INTRODUCTION	
1.1	Definition of Industrial sickness	2
1.1.1	Definition by the Reserve Bank of India (RBI)	3
1.1.2	Definition by Term Lending Financial Institutions	4
1.1.3	Definition by the National Council of Applied Economic Research (NCAER), 1979	4
1.1.4	Definition by the Sick Industrial Companies (Special Provisions) Act, SICA, 1985	5
1.1.5	Definition by the Sick Industrial Companies (Special Provisions) Act, SICA 1993	6
1.2	Need for definition of a sick company	6
1.3	Industrial sickness: The Indian Experience	8
1.3.1	Some statistics on Sick Industries in India	9
1.4	Ill effects of industrial sickness	12
1.5	Research studies on industrial sickness	14
1.5.1	Research done in India	14
1.5.1.1	By the Reserve Bank of India (RBI)	14
1.5.1.2	By the Industrial Development Bank of India (IDBI)	16
1.5.1.3	By the Federation of Indian Chambers of Commerce and Industries (FICCI)	17
1.5.1.4	By the Economic and Scientific Research Foundation (ESRF)	17
1.5.1.5	By Prof. Pradip N. Khandwalla	18
1.5.1.6	By Dr. Subhash Gangwal	19
1.5.2	Research done outside India	21
1.5.2.1	By Prof. John Argent	21
1.5.2.2	By Shendel and Patton	22

	Title	Page no.
1.5.2.3	By Prof. Stuart Slatter	22
1.6	Statement of the problem	25
1.7	Objectives of the study	25
1.8	Scope of the study	25
1.9	Significance of the study	26
1.10	Statement of Hypothesis	27
1.12	Assumptions	27
1.13	Organization of the study	28
 CHAPTER TWO REVIEW OF LITERATURE		
2.1	Background to the Sick Industrial Companies (Special Provisions) Act, 1985 (SICA)	30
<u>2.1.1</u>	Activities of the Reserve Bank of India (RBI) in combating industrial sickness	31
2.1.1.1	Setting up of a special cell for industrial rehabilitation	31
2.1.1.2	Giving advice to commercial banks concerning handling industrial sickness	32
2.1.1.3	Setting up of inter-institutional groups	33
2.1.1.4	RBI's study on industrial sickness	33
2.1.1.5	RBI - appointed committee on remedies to industrial sickness	36
2.1.1.6	Appointment of the Tiwari committee	38
<u>2.1.2</u>	The Tiwari committee	38
2.1.2.1	Findings of the Tiwari committee	39
2.1.2.2	Observations of the Tiwari Committee	40
2.1.2.3	Recommendations of the Tiwari Committee	40
<u>2.1.3</u>	Summary of the deficiencies and problems in policy measures before SICA	40
2.1.3.1	Legislation (Legal problems)	41
2.1.3.2	Problems relating to rehabilitation	41
2.1.3.3	Problems relating to choice of remedies	42
2.2	The Sick Industrial Companies (Special Provisions) Act, 1985 (SICA)	43
2.2.1	Superiority of SICA over earlier measures	44
2.2.2	Establishment of the Board for Industrial and Financial Reconstruction (BIFR) and the Appellate Authority	47
2.2.3	Statistics on BIFR's functioning as on Dec 31, 1996	48
2.2.4	Problems existing under SICA : A summary	51

	Title	Page no.
✓2.3	Signals and symptoms, detection and causes of industrial sickness	53
2.3.1	Signals and symptoms of sickness	53
2.3.1.1	Warning signals during implementation of industrial projects	54
2.3.1.2	Warning signals of sickness after implementation of industrial projects	55
2.3.1.3	Symptoms of industrial sickness	56
2.3.2	Detection of sickness in an industrial unit	59
2.3.2.1	Methods of detecting sickness in industrial units	59
2.3.2.2	Techniques for early detection and signaling of sickness in industrial units	62
✓2.4	Causes of industrial sickness	65
2.4.1	Causes of sickness in new industrial projects	66
2.4.2	Causes of sickness in fully operating (old) units	70
2.4.2.1	Causes of sickness in the finance function area	71
2.4.2.2	Causes of sickness in the production function area	79
2.4.2.3	Causes of sickness in the personnel function area	87
2.4.2.4	Causes of sickness from the marketing function area	90
2.4.2.5	Causes of sickness at Corporate level of management	98
✓2.5	Remedies to industrial sickness	108
2.5.1	Prevention of industrial sickness	109
2.5.1.1	The role of lending institutions (FIs)	110
2.5.1.2	The role of commercial banks	111
2.5.1.3	The role of promoters/management	111
2.5.1.4	The role of the government	112
2.6	Rehabilitation of sick industries	112
✓2.6.1	Rehabilitation with the BIFR	113
2.6.2	Rehabilitation under Board for Industrial and Financial Reconstruction (BIFR) supervision	114
2.6.2.1	Company self revival under the Board for Industrial and Financial Reconstruction (BIFR)	115
2.6.2.2	Company rehabilitation through (Board for Industrial and Financial Reconstruction (BIFR)-Appointed operating agency	116
2.6.2.3	Factors that have affected/slowed down Rehabilitation process	127

	Title	Page no.
2.6.2.4	Limitations of BIFRs powers	129
CHAPTER III		
RESEARCH METHODOLOGY		
3.1	Introduction	132
3.2	Research procedure	132
3.3	Population for the study	134
3.4	Selection of sample	134
3.5	Instrumentation	137
3.6	Pilot study	137
3.7	Revised method of data collection	138
3.8	Final data collection	138
CHAPTER IV		
DATA ANALYSIS AND FINDINGS		
4.1	CTR Manufacturing Industries Limited	142
4.1.1	Introductory information	142
4.1.2	Company background	142
4.1.3	Operational problems	143
4.1.4	Causes of sickness in CTR Manufacturing Industries Limited	144
4.1.5	Rehabilitation of CTR Manufacturing Industries limited	147
4.1.5.1	First rehabilitation of CTR Manufacturing Industries Ltd. (1983-1989)	148
4.1.5.2	Second rehabilitation of CTR Manufacturing Industries Limited (1990-97)	157
4.1.6	Summary and conclusion	163
4.2	Swastik Rubber Products Limited	167
4.2.1	Introductory information	167
4.2.2	Company background	168
4.2.3	Causes of sickness in Swastik Rubber Products Ltd	169
4.2.4	Rehabilitation of Swastik Rubber Products Ltd.,	171
4.2.4.1	Rehabilitation programme under IRCI (First attempt)	172
4.2.4.2	Rehabilitation programme under Board for Industrial and Financial Reconstruction (BIFR) (Second attempt)	176
4.2.5	Results of the two rehabilitation attempts (Programmes)	180
4.2.5.1	Results from the first rehabilitation attempt	180

	Title	Page no.
4.2.5.2	Results from the second rehabilitation attempts	181
4.2.6	Summary and conclusions	182
✓4.3	UB Engineering Limited	189
4.3.1	Introductory information	189
4.3.2	Introductory remarks	189
4.3.3	Company background	190
4.3.4	Company's growth strategy	190
4.3.5	Change of name from WIE Limited to UB Engineering Limited	191
4.3.6	Factors which caused operating losses to UB Engineering Ltd.	191
4.3.7	Actions taken to turnaround UB Engineering Ltd.	199
4.3.8	Results of rehabilitation efforts	205
4.3.9	Summary and conclusions	206
✓4.4	Central Pulp Mills Ltd.	210
4.4.1	Introductory information	210
4.4.2	Company's background	211
4.4.2.1	Historical background	211
4.4.2.2	Engineering technology	212
4.4.2.3	Operational problems	213
4.4.2.4	Strategy to solve the problems	213
4.4.2.5	Change in government policy	214
4.4.2.6	Efforts for a new solution	215
✓4.4.3	Causes of sickness to Central Pulp Mills Ltd., (original causes)	216
✓4.4.4	Causes of sickness to Central Pulp Mills Ltd., (Proximate causes)	217
✓4.4.5	Rehabilitation of Central Pulp Mills Ltd.,	218
4.4.6	Results of the recovery programme	222
4.4.7	Factors (actions) responsible for the company's recovery	224
4.4.8	Summary and conclusions	226
✓4.5	Rama Krishi Rasayan Ltd.,	227
4.5.1	Introductory information	227
4.5.2	Company background and operational problems	227
4.5.3	Causes of sickness to the company	228
4.5.4	Rehabilitation of Rama Krishi Rasayan Ltd.,	231
4.5.4.1	The first rehabilitation programme	231
4.5.4.2	The second rehabilitation programme	236
4.5.6	Summary and conclusions	238

	Title	Page no.
CHAPTER V		
SUMMARY, TESTING OF HYPOTHESIS,		
CONCLUSIONS AND RECOMMENDATIONS		
5.1	Summary of purpose and of the findings	246
5.1.1	Summary of causes of sickness in the five companies	246
5.1.2	Summary of factors which caused failures of rehabilitation programmes	254
5.1.3	Summary of factors responsible for success of latter rehabilitation programmes	259
5.2	Testing of hypotheses	267
5.3	Conclusions	270
5.4	Recommendations for reviving sick companies	273
5.5	Recommendations for further research	274
