I gratefully acknowledge my deep sense of gratitude to all who provided help and support to me during the course of my research work. I express my deep sense of gratitude, indebtedness and sincere thanks to my guide Dr. Dnyandeo M. Janrao, Associate professor, Department of Chemistry, J.E.S College, Jalna whose dynamic guidance and motivation inspired me to discover my own potential. His guiding spirit and constructive criticism has not only given this work, its present shape but has also helped me to become a better person in life. He is truly a “Guru” for me in the calmness of mind, hard work and patience towards others. I owe my sincere gratitude to the President, Secretary and all the members of management, Marathwada Shikshan Prasarak Mandal, Aurangabad for constant encouragement to promote this academic activity.

I wish to express my gratitude to Dr. M. L. Jadhav, Principal Deogiri College Aurangabad for providing the laboratory space and essential research facilities and Dr. V. G. Sanap, Principal Balbhim College Beed, for encouragement to carry out this research work. I express my gratitude and honest thanks to Dr. R. S. Agrawal, Principal J.E.S. College Jalna for their encouragement throughout research work. I would like to express my special thanks to Dr. Mazhar Farooqui, Principal Aurangabad College for Women Aurangabad for helping me at different stages of research work. I am happy to acknowledge the service of Sophisticated Analytical Instrumentation Facility (SAIF) Cochin University, IICT Hyderabad, (CNNUM) Center for Nanosciences and Nanotechnology, University of Mumbai, CFC Balbhim College Beed, Crystal Growth Laboratory Milliya College Beed, for their help in sample analysis. I would like to thank the Director, NCL Pune for permitting me for reference work and providing facility of NMR.

The support and encouragement of Dr. R. P. Pawar, Head and associate professor, Department of Chemistry, Deogiri College, Aurangabad in the whole
stages of research, was of immense help and I am extremely thankful to him for the same. I would like to express my deep gratitude to **Dr. B.R. Agrawal**, Head department of chemistry, J.E.S. College Jalna and **Dr. Pathan Arif Ali Khan**, Associate Professor, Dept. of Chemistry Maulana Azad College, Aurangabad for immense help to me throughout my research work. I sincerely appreciate the help rendered by **Dr. Satish Dake** during the preparation of my thesis.

The help and useful advice offered by the faculty members, **Dr.A.M. Gokhale, Mr.S.S. Undare, Dr.M.A. Sakhare, Mr.P.K. Vibhute, Mr.Y.N. Bharate, Mr.P.A. Pisal, Mr. S.A. Survase Mr. Sunil Chavhan, Ms. D.B. Borkhede** of Department of Chemistry Balbhim College, Beed during the crucial stages of my work and at times when I was confronted with chaos and confusion had been of much value and I am grateful to all of them for their kind heartedness.

Some friends are never too busy to give us a hand whenever they are needed. I express love and affection towards all those friends. My acknowledgement shall be incomplete without mention of my friends **Dr. R.A. Chavhan, Mr. Sunil Tekale, Mr. Jankiram Jadhav, Mr. Anil Chindhe, Dr. Namrata Erande, Dr. Pravin Walke, Mr. Pradip Wagh, Mr. O.K. Jogdand and Mr. Dattatraya Babar** for all the possible help during my research work.

I acknowledge **Prof. Vishal Tungikar** for assisting me to evaluate biological activity of the synthesized compounds. I am immensely grateful to **Dr. S.S. Hussaini, Mr. Mohammad Anis** for providing facility of UV spectroscopy. I am happy to acknowledge Mr. C.S. Dhage, Mr. B.D. Maske, Mr. S.V. Bhosle for helping me in lab without their help it is not possible to me work smoothly.

I find it difficult to pin down my deepest sense of indebtedness towards my parents who soulfully provided me support and the right impetus to undertake the challenge of this proportion like all other spheres of life, for what I cannot measure but treasure. To them I owe my wonderful today and dream filled future. I would like to recognize the unrelenting support and blessings of my, father Mr. Karbhari, mother Suman, brother Anil, sister Archana, Lata and all
the family members. I also express my heartfelt gratitude to Ashokrao, Kaveri, Rupali, Gajumama, Vinu and Amol.

Last but not the least I am thankful to my beloved wife Sharmishtha and son Amit for having the inconvenience caused during the entire period of research. This thesis could not have been possibly brought to a successful completion without the blessing of Almighty.

Lastly it is imperative to point out the thought that all may not be mentioned none are forgotten.
