ACKNOWLEDGEMENTS

I would like to express my heartiest gratefulness to Almighty Lord for His divine blessings and grace, which has made it possible to complete this Thesis successfully.

I wish to record my deep sense of gratitude and profound thanks to my research supervisor Dr. B. Paramasivan, Professor and Head, Department of Computer Science and Engineering, National Engineering College, Kovilpatti, for his keen interest, inspiring guidance, constant encouragement with my work during all stages, to bring this Thesis into fruition.

I am thankful to National Engineering College, Kovilpatti, for having given an opportunity to do my research.

I am extremely indebted to Mr. M. Kaliappan, Assistant Professor (Senior Grade), Department of Information Technology, National Engineering College, Kovilpatti, for his valuable suggestions and support during the course of my research work.

I express my gratitude to my parents, my wife, my son and my friends, for their invaluable moral support without which this work would have been much harder.
