ACKNOWLEDGEMENTS

I would like to place on record my deep sense of gratitude to God Almighty, without whose grace this work would not have been possible in the first place.

I express my deep sense of gratitude to Dr. P. Jeyanthi, whose intellectual and scholarly guidance has enabled me to present this thesis.

I am extremely thankful to Dr. P. Jeya Baskaran, Associate Professor, Aditanar College of Arts and Science, Tiruchendur, for his valuable advice and constant help throughout this work. I offer my thanks, for the interest and encouragement accorded by my well-wisher, Dr. N. Angel Benseera, Assistant Professor, Department of Mathematics, Sri Meenakshi Government Arts College for Women(A), Madurai.

I am very much thankful to The Management, Principal, Director and colleagues of G. Venkataswamy Naidu College, Kovilpatti, for their kind cooperation and encouragement in bringing out this thesis. I would also like to extend huge, warm thanks to my well-wishers A. Divya and A. Jabar Ali. I wish to thank my sisters T. Jeya Devi Selvakumar, Dr. T. Sri Devi Dhana Rani Sivaraman, T. Punitha Valli Senthil Kumar and T. Shalini Ramesh for their keen interest and constant encouragement to complete this work.

I am very much indebted to my husband P. Ramachandran, my children R. Rajan Babu, R.C. Vino, my uncle, aunty and relatives, who stood by me right throughout this research period and brought hope and cheer to me with their love and encouragement. I would like to record my sincere appreciation and heart-felt gratitude to one and all.

T. SARATHA DEVI
