ACKNOWLEDGEMENTS

I wish to place on record my profound gratitude and thankfulness to Dr. P.C. Shejwalkar, my Research Guide, who was a source of strength and inspiration to me throughout my stay in Poona and who gave me continuous encouragement and guidance.

I am specially grateful to him for the meticulous care he took in correcting my language and my draft of this Thesis. No words are adequate to express my gratitude to him for his valuable guidance which was freely available to me throughout the completion of this Thesis.

I am thankful to the Librarian of the Gokhale Institute Library.

I am also grateful to the Librarian of Dr. M.R. Jayakar Library, University of Poona, for extending me library facilities throughout my work.

My thanks are also to Principal Dr. C.G. Vaidya of the Brihan Maharashtra College of Commerce, Pune to which institution I was attached for my Doctoral Research work, for his constant encouragement throughout the course of this Research Study.
I also express my sincere gratitude to Prof. M.A. Deshmukh, Head, Department of Commerce, University of Poona, for his co-operation, guidance and encouragement.

Also thanks go to my family, my mother, father and brothers, sisters who have been patient and supportive throughout the study.

Lastly, I wish to thank the Authorities of the Iranian Consulate General in Bombay, for their co-operation and help throughout my stay in India, which made this study possible.

And I wish to thank the Government of India whose assistance, was very much helpful.
