Acknowledgements

With immense pleasure and sincerity, I would like to express my thanks to my mentor Dr. A. S. Yadav, Professor, Department of Zoology, Kurukshetra, University, Kurukshetra, for his meticulous guidance. His expertise, invaluable guidance, encouragement, calm nature, patience, profound understanding, critical review and affectionate attitude, made me feel confident and to overcome every difficulty I encountered during Ph.D. work. Without his continual guidance, it would have not been possible to complete this study.

I would like to give my sincere thanks to Professor Rajnish Kumar Sharma, Chairman, Department of Zoology, Kurukshetra University Kurukshetra and University authorities for providing me the necessary laboratory facilities, and constant support and for offering me an ideal environment. I am highly thankful to all the teachers of Department of Zoology, Kurukshetra University Kurukshetra for their constant help and encouragement.

I extend my sincere thanks to Dr. N. K. Jhamb, Dr. Madhu Sabharwal, L.N.J.P. Hospital Kurukshetra and Dr. Satish Garg who made clinical diagnosis of COPD patients and helped me in blood and buccal sample collection. I am highly thankful to all the subjects who consented to take samples for the present study.
I express my sincere thanks to non-teaching staff members, Department of Zoology, Kurukshetra University for their full cooperation during the present study.

I am grateful to my labmates Dr. Manisha Saini, Dr. Shikha jaggi, Dr. Navneet Cheema and Priya; other research scholars Kanika Pahwa, Priyanka Saraf, Anju Thakran, Oshin Dhillon, Harkrishan and Rayees Ahmed Bhat who supported me and provided good and motivating work atmosphere during the study, I especially want to express special thanks to my best friends Manju and Praveen for providing moral support, suggestions, care and timely encouragement when needed.

The financial assistance provided by UGC, New Delhi, India in the form of JRF through Rajiv Gandhi National Fellowship Scheme is greatly acknowledged.

I find inadequate words to express all the love, wisdom, and support provided to me by my beloved Father Sh. Dayanand and Mother Smt. Aruna, for that I am bow-headed. Their unconditional love and support have inspired me to move forward in life. They supported my each and every decision. I am extremely grateful to my brother-in-law Sh. Anand Kumar, Asst. Professor, Department of Physics, University College Kurukshetra University, Kurukshetra, Sisters and brother for their love, care and continued support during my research work.
