ACKNOWLEDGEMENT

I am indeed grateful to Prof. P.R. Karmerker, my guide for helping me in completing this work. But for his advice, help and enthusiasm, this work would not have been completed.

I am thankful to Dr. S.B. Sawant, who gave the guidance for the M.Phil. dissertation work and the same has been extended in this thesis.

I am thankful to Dr. S.C. Gpute, Head, Department of Geography, University of Poona, Dr. D.M. Wagh, Head, Department of Geography, S.P. College, Pune, Dr. V.S. Kale, Reader, Department of Geography, University of Poona and Prof. A.M. Deokule, Department of Geography, S.P. College Pune, for their valuable suggestions.

Finally, my sincere thanks to Prof. B.N. Kulkarni, Principal, S.P. College Pune, for all possible help extended by him for carrying out this work.

I also express my deep sense of gratitude to all the doctors working in the various P.M.C.s of Pune district who were kind enough to provide all the necessary information.
