ACKNOWLEDGEMENTS

The endless praises and thanks to God for His showers of blessings throughout my research. This work is the result of not only the efforts of one person, but also the support, encouragement and suggestions from all those who have contributed in their own ways and aided in its completion. I would like to extend my sincere gratitude to them, for without their cooperation and patronage this work would not have been successfully completed.

First of all, my sincere thanks are due to my guide Prof. Manoj K. Dhar, Director, School of Biotechnology, University of Jammu, for suggesting the problem, critical evaluation of the manuscript and providing kind, inexhaustible and untiring guidance throughout the present work. I thank him for his utmost understanding and immense patience. He has guided me with his invaluable suggestions, lightened up the way in my darkest times and encouraged me a lot in the academic life. I am at loss of words to thank him for his guidance.

I sincerely record my deep sense of gratitude to Dr. Sanjana Koul, Sr. Assistant Professor, School of Biotechnology, University of Jammu, for her able guidance, constant encouragement, constructive criticism, forebearance, moral support and cooperation.

I would like to thank the faculty of School of Biotechnology; Dr. Jyoti Vakhlu, Dr. B.K. Bajaj, Dr Madhulika Bhagat, Dr Ritu Mahajan and Dr Nisha Kapoor for necessary help.

My thanks are due to Ms. Rupali Sharma, Mrs. Dharti Pandita and Mr. Maroof for their interest, cooperation, advice and support throughout the course of this work.

I am deeply thankful to Dr. Munish Sharma, Mr. Parivartan Vishal, Mr. Deepak and Ms. Archana Bhat for their advice and constant support throughout. I thank my seniors, Dr. Yashpal Khajuria, Mr. Rahul Sharma, Dr. Sapna Sharma, Dr. Ankit Mahajan, Dr. Mehak Gupta, Mrs. Archana Koul and Mrs. Jasmeet Kaur for their time to time advice and support.

I would like to extend my heartfelt thanks to my dear friends, Mrs. Shivanjali, Mrs. Niharika, Ms. Shivani and Mrs. (late) Sonali for always being around and sharing the good and the bad days of my entire Ph.D. period.

I place my warm thanks to the Scholars of Fungal Biotechnology Lab, Metagenomics Lab, Fermentation technology Lab, Plant tissue culture Lab and Animal Biotechnology lab for time to time help.
Special thanks are due to Mr. Sumeet Arora, Mr. Amit and Mr. Mohit Sharma for their technical help and support at every step of this work. Their extensive devotion and dynamic cooperation is acknowledgeable.

I extend my gratefulness to the dignified non-teaching officials in the School of Biotechnology Mrs. Sushma, Mrs. Ekta, Mrs. Rita, Mrs. Sumitra, Mr. Suresh and Mrs. Neha for extending help in every way they could. My special thanks are due to Mr. Akhil, Mr. Ajit, Mr. Vijay, Mr. Sikander, Mr. Deepak, Mr. Mohinder and Mr. Ranjeet for their timely help.

Every effort is motivated by ambition; all ambitions have inspiration behind them. So I bestow my unbound gratitude and deep sense of respect to my beloved parents, Mr. B.L.Bhan and Mrs. Sushma Bhan and sister, Ms. Neha Bhan for their affection, encouragement and emotional support. I extend my whole hearted appreciation to my parents-in-law Mr. M.L.Bhat and Mrs Shanta Koul for their support, care and understanding. I would like to thank my dear brother-in-law, Mr. Sheetal Bhat and sister-in-law Mrs. Sheetu Raina for the affection and support.

I feel short of words in expressing my whole hearted appreciation to my husband Dr. Rakesh Bhat whose unconditional love, patience and continual support enabled me to complete this thesis. My heart bound adoration goes to my daughter Ira Bhat for cheering me up always. Her unshaken love, care and curiosity have been major driving forces throughout my doctoral research.

I humbly register my thanks to, University of Jammu and Department of Science of Technology, Government of India for the financial assistance in the form of fellowship (INSPIRE JRF/ SRF).

This work would not have been possible without the facilities available in the School of Biotechnology and Bioinformatics Center funded by Department of Biotechnology, Govt. of India. FIST and PURSE funding by Department of Science and Technology, New Delhi and SAP funding by UGC, New Delhi, India.

Last but not the least I would love to extend warm thanks to everyone who is related to me by one way or the other.

(Bhavana Bhan)
