ACKNOWLEDGEMENTS

I take this opportunity to express my sincere and profound gratitude to my teacher Dr. C.M. Gupta, Director, CDRI, Lucknow, for his immensely valuable suggestions, never ending moral boosting encouragement and untiring efforts in bringing out the best performance out of me. My association with him has also taught me to appreciate the value of patience, sustained tolerance and above all humility in the development of healthy scientific temperament.

I would like to pay special regards to Dr. Anand Bachhawat for his untiring efforts, keen interest and constant encouragement throughout the course of the study and allowing me to work with his esteemed group. It was his guidance that not only rekindled my interest in molecular biology but also taught the importance of patience during trying times during research.

I thank Dr. Amit Ghosh, Director, IMTECH for providing me the opportunity to work in his Institute.

I am equally grateful to Dr. Vinod Bhakuni for extending his valuable help and friendly suggestions.

I would like to thank Dr. Varshney, Dr. Ganesan, Dr. Japan, Dr. Nandita, Dr. Jagmohan and Dr. Javed at IMTECH and Dr. Subramaniya, Dr. Sudhir, Dr. Maulik, Dr. Kundu, Dr. Saman and Dr. Jimut at CDRI for their help and valuable suggestions. I like to pay special thanks to Dr. Vidhya for my thesis correction.

I acknowledge Rajanji, Rajkumarji, Selvanji, Basant Lalji for their much needed help during this study. I am also grateful to Sindhi saab, Mr. K.L. Gupta, Mrs. Batra and Mrs. Gupta for their help all along.
Special tribute is due to my seniors Drs. Rupinder, Susham, Owais, Ashish, Krishna Kumar, Bharat, Deepa, Matloob, Vishwajeet, Shahid, Rudra, Vishwamitra, Rohini, Vahab, Shashi, Sangeeta and Laxmibala for their constant encouragement and helpful suggestions. I express my gratitude to my labmates Amit, Kailash, Amogh, Atta, Prakash, Indrani, Vibha, Paja, Srikanth, Rekha, Sohail, Siva, Amrita, Sandeep, Anant, Divya, Vishal and Sushma for sharing every sort.

Special thanks to my colleagues Gautam, Kisley, Sudeep, Ashish, Ashwani, Bishwajit, Manish, Vasudha, Pandey, Jitendra, Susmit, Vishal, Shankar, Bhupesh, Deepti, Vinod, Ranjana, Jaggu, Chitra, Bhavani, Nitin, Naveen, Ajay and Shashchant for their welcome distractions and lively atmosphere. I feel pleasure in expressing my admiration for the pleasant company of Pallavi during the last phase of this study.

I am thankful to members of the library section of both IMTECH and CDRI for their generous help in times of need. Financial support in the form of CSIR research fellowship is gratefully acknowledged.

Finally, I am deeply indebted to my family members especially to my mother whose unstinting blessings, moral support and affection bolstered me all the way during my studies.
