“In the name of Allah, the Most Gracious, the Most Merciful”

All thanks are due to Allah Almighty, the cherisher and Sustainer of the Universe, who beloved upon me the courage, patience and strength during my research work. I bow in reverence to express my gratitude and indebtedness to the Almighty Allah, Whose gracious blessings gave me the required zeal for the completion of this venture in stipulated parameters of time in a successful manner.

With sincere regards and tribute to Late Sir Syed Ahmad Khan, the founder of this prestigious institution, the Aligarh Muslim University, Aligarh.

This thesis is the ultimate product of my arduous and long journey to obtain my goal; I have not travelled in a vacuum in this journey. By this time, I have worked with a great number of people whose contribution is assorted ways to the research and making of the thesis deserved special mention. It is a pleasure to convey my gratitude to them all in my humble acknowledgements.

With this immense sense of gratitude, I would like to pour down my own and wholehearted gratefulness to my esteemed Supervisor Prof. Syed Ahmad Ali, Department of Geology, Aligarh Muslim university, Aligarh for his unparallel guidance, continuous inspiration, constant encouragement, academic excellence, generosity and sincere motivation that has been instrumental in the completion of this dissertation. His friendly sober nature was always at my disposal to rely upon when I felt being low. His wide knowledge and logical way of thinking have been of great value for me. Without his able guidance, research would have been an uphill task out of my ambit. Without his encouragement, I would not have had the satisfaction of this accomplishment. With fathom deep, sincere and heartfelt gratitude I acknowledge his help.

I express my sincere thanks to Chairman, Prof. Liaqat Ali Khan Rao, Department of Geology, Aligarh Muslim University, Aligarh, for providing necessary research facilities.

I also extend my profound thanks to all other teachers of the Department whose valuable guidance and good wishes helped me considerably in the pursuit of my work.

Moreover, I wish to acknowledge and give thanks to the non-teaching staff members, Department of Geology, Aligarh Muslim University, Aligarh.

I take this chance to express special thanks to Mr. Mohammad Yousuf whose guidance and teachings from childhood proved highest source of inspiration for me throughout the journey.
I am also indebted to all my lab mates for always being so helpful. Working with Mohsin, Javid, Mukeem, Junaid, Mannan, Muzamil, Hamidi, Dr. Saima, Shahida, Sadiya and Tanzeel has been so much fun.

I take this opportunity to express my gratitude to my friends for their moral support and encouragement during the tenure of this work, especially Shah Tanveer, Rameez Ahmad, Waheed Din, Wani Irshad, Khan Mudasir, Mudasir Gul, Tariq, Hayat, Haq Aisaq, and Sajad whose fraternization and affability helped me at the moments of distress and exhaustion.

The friend list in Aligarh and KU is long, but to name a few who have always been a support in distressful times includes Dr. Javeed Bhat, Dr. Javid, Showkat, Shahnawaz, Aamir, Shahnawaz, Altaf, Suhail, Irfan, Luqman, Manzoor, Firdoos, Feroz, Abbas, Ahsan, Hilal, Nazia, Saleem, Rouf, Asif, Adil, and Rais etc.

The special thanks goes to all the senior Aligs who treated me like their younger brother and always advised me for my betterment are Dr. Mohammad Ibrahim, Dr. Bilal, Dr. Nayeem, Dr. Owais, Dr. Adil, Mr. Mumtaz, and all other seniors from KU especially Dr. Shabir.

I shall be failing in my duty if I did not put on record my whole hearted gratitude to my parents whose blessings, inspirations, cooperation, love, and unconditional support always helped me. My grandfather Gh. Rasool, My sister Parveena Rashid, brothers Shahnawaz, Altaf, Brother-in-law Ab. Rashid, and nephew Ansab Rashid, Haziq Rashid, Mohammad Tuaseen (Tabin), Aalifa Jan, Bariq Rashid (Misbah), Wafiya Jan and sister-in-laws Ulfat Jan, Khushanda Altaf, and Afroza without their blessings, inspirations, motivation and understanding it would have been impossible for me to finish my research work. Rest of my family members who have always been a source of inspiration and encouragement also deserve special thanks.

I would also like to thank each and everybody who have directly or indirectly involved in or have been the part of my research work, and who has contributed in any way in completing my work. Every help counts and sometimes the little things in life bring a lot of change, thank you everybody!
