ACKNOWLEDGMENTS

A journey gets strenuous when you are alone. However, it becomes pleasant when you are accompanied. The thesis is a journey that I undertook whereby I have been accompanied and encouraged by many people, whose aim was to see me successful. I would like to take this opportunity to convey my sincere gratitude to all those who have continuously encouraged and supported me.

I am very happy to express my sincere gratitude to my guide Dr. Shivanand Nari, Associate Professor, Dos in Economics, Karnatak University, Dharwad for agreeing to supervise my research work. I am indebted to him for the patience and critical suggestions that helped me to shape my research skills and carry on through difficult paths. His insight, enthusiasm, and mission for providing high quality work have made a deep impression on me. I am really glad that I have come to know him in my life.

I would like to express my sincere gratitude to Prof. B.K. Tulasimala who deserve my gratitude for her kind help and support to me all through my research work.

I would like to express my sincere gratitude to Chairperson Prof. S Indumathi and Previous Chairman Prof. S Mahendrakumar Dos in Economics and Cooperation, Manasagangotri, University of Mysore, Mysuru for their help and cooperation during the course of my research work.
