

***Papers Published by the Author  
on the present subject***

1. “Experimental Evaluation of Flow Formability of Sheetmetals for Armament Applications”; under publication in Defence Science Journal, forthcoming issue, 1997.
2. “An Investigation into the Parameters Affecting Flow Formability of Materials”; Journal of Institution of Engineers (India), vol. 77, May, 1996.
3. “Flow Forming : A promising trend in metal working”; The Engineer, vol. 69, No. 12, Sept, 1986.
4. “Engineering Aspect of Shaped Charge Liners”; Proc. of First Symposium on Warhead Technology, TBRL, Chandigarh, March, 1983.
