ACKNOWLEDGEMENT

It would take pages, to acknowledgement everyone who in sometime who in someway or the other helped me along my path reaching this goal, but certain individuals need special thanks for their valuable help.

First and foremost, with all my heart I would like to express my deepest gratitude and privilege for having been associated with Dr Praveen Kumar Jain MD, DM, Professor of Cardiology, Department of Medicine Maharani Laxmi Bai Medical College, Jhansi for his enlightened guidance which steered me towards the harbour of success. I am greatly thankful for the ceaseless attention, he has paid to my problems, always sparing a few moments for me even amidst the busiest of schedules without which this work would not have seen the light of day.

"The habits of punctuality, order, diligence, determination and concentration are the key to success". That is what has been inculcated into us by our honorable Ex Head of Department and my Co-Guide, Dr. R.C. Arora MD, DSc Department of Medicine, M.L.B. Medical College, Jhansi.
I am also greatly thankful to Dr P. K. Jain MD, MNMAS, Professor & Head of Medicine M.L.,B. Medical college Jhansi. His sense of precision, infallible tenacity, passion for reason, compassion towards patients, knowledge and experience was a constant source of inspiration to me.

I am equally thankful to all the patients and their relative whose positive response throughout the study encouraged me for this endeavour.

I would like to express my thanks to Mr. Shashank Jain Chief of NET.SOL Computers for the pain he took in helping me prepare a presentable and neat work to submit.

I shall faith all my thanks if do not convey all my thanks and respect to all the people who took part in this work and helped me to complete this study and reach conclusion.
