

## **Acknowledgement**

It gives me immense pleasure to express my gratitude and respect for my teacher and Guide Dr. D B Bastawade for his guidance and inspiration throughout the work. He is the continuous inspiration both in field and laboratory, throughout the period to for fulfillment of this project.

I take this opportunity to express my gratitude to the Director, Zoological Survey of India for his permission to conduct this Ph D work and for the facilities being provided by him during the study period.

I would like to express my sincere gratitude to Dr. A S Mahabal, Office in Charge, Zoological Survey of India, Western Regional Station, for continuous support in providing all research facilities and administrative help for the work.

I proclaim my indebtedness to Dr. H. V. Ghate, HOD, Zoology Dept., Modern College, Pune for his time to time guidance and suggestions in improving the thesis. I am also grateful to him for his help for the study of scanning electron microscopy and photography during the study period.

I am also indebted to Mr. P. P. Mohaptra for providing me the rich collection of phalangids from Orissa and Darjeeling for study.

I would like to express my deep sense of gratitude to Dr. P P Kulkarni and Dr. S. G. Patil for their inspiring encouragement and valuable suggestions throughout the period. I would like to express my gratefulness to Mr. S.S. Talmale and Mr. S. S. Jadav for their cooperation during the work

period. I am also Thankful to Mr. P W Garde, Artist, ZSI, WRS, Pune for preparation of the species diagrams. I also express my thankfulness to the staffs of ZSI, WRS Pune for their help during the work period.

I take this opportunity to express my gratitude to my family for being the constant inspiration and support for me throughout the period.

I am also indebted to all my friends and well-wishers for their moral support throughout the period.
