ACKNOWLEDGEMENT

I deem it a matter of great pleasure in expressing my profound Indebtedness to Dr. S.S. Bhartiya Reader & Head, deptt. Of Agril. Eco. Brahmanand Mahavidyalay Rath & Dean, faculty of agriculture, Bundelkhand University for his valuable guidance deep & sustained interest throughout the Course of study and also in the preparation of this manuscript.

I pay sincere thanks to Lakshmi Narayan Agrawal, Principal, Brahmanand Mahavidyalaya Rath Distt. Hamirpur U.P. for granting permission to conduct research work in this institution.

I have a gratitude to Sri R.P. Agrawal, Sri. M.M. Rajput, Sri R.K. Verma Selection Readers lecturers in the department for their kind help and co-operation during the course of investigation.

I am deeply indebted to my father Sri Virendra Prakash Agrawal, mother Smt. Girija Devi Agrawal, & uncle Sri Rajendra Prakash Agrawal a well known union leader of Rajkiya Shikshak Sangh, U.P. who encourage me from time to time for my performance of work.

Thanks to all those friends and farmers especially to Sri R.K. Mishra, Sri Mangal Singh, Sri A.K. Singh and Sri D.K. Singh who encourage and made co-operation at different stage of my work.

I am also thankful to Miss Yogita and Mr. Brijesh and Mr. Rajendra Kumar for their valuable help and affection, which was delivered during their stay at Rath. By heart and soul I devote my greatest respect to the well known couple; Fighter for Freedom Of India my Grand father Lt. Sri Ratan Lal Agrawal “Vidhyarthi Jee” and my grand mother Lt. Smt Ram Pyari Devi Agrawal.

This Research work has been completed due to their kind “Ashirwad” which strengthened me and always will guide my path in the future.

Finally I wish to express my thanks to all my superiors, well wishes and others who directly and indirectly assisted me during the competition of my Research work.

Dated : 26th December, 2002

(Satyendra Prakash Agrawal)
