ACKNOWLEDGEMENT

In this perishable world there are still a few things, which are imperishable. One of them is knowledge, not easy till one gets a mentor.

It is my proud privilege and great opportunity to work under such inspiring guidance and constructive criticism of Dr. Amita Jain, Scale up Manager and BCC Advisor A2Z-AED, Allahabad. U.P. Her untiring supervision, persistent encouragement, unending zeal and conspicuous ability has always been a constant source of my achievement. I am extremely indebted to her for being meticulous throughout our investigation and preparation of this manuscript.

I also bestow my heartful thanks gratitude to Dr. Meenakshi Singh. Lecturer, HDFS, Institute of Home Science, Bundelkhand University, Jhansi for their timely guidance and creative suggestions during the tenure of the present study.

From the core of my heart, uncountable words of cordial veneration and gratitude are dedicated to the pious feet of my father Sri. Ram Tirth Yadav my mother Smt. Narayani yadav for their love, affection, good wished blessing constant encouragement and inspiration showed by them for the achievement of my present educational assets. I also express my warm appreciation to my sister Dr. Neelam Yadav, brother Mr. Anil Yadav, bhabhi Smt. Sangeeta Yadav and my loving naughty niece Saloni who extended moral support, timely help and constant inspiration to me during the entire period of my study.

It was difficult task for me to find appropriate words and express my sincere appreciation to my friends, Neeti, Jhumur, Phool & loving Meenaxi, who helped me a lot during my research work.

Many more people who helped me directly or indirectly during course of studies, if I don't list them all, its not for lack of gratitude, it is lack of space. To them all, I convey my best compliments and lot of thanks.

With the blessing of almighty 'God' I am presenting this research work.
