ACKNOWLEDGEMENTS

First and foremost, praise be to Allah, the cherisher and sustainer of the worlds, and may peace and blessings of Allah be upon the holy prophet Mohammed his Kin, his companions and all those who follow his religious teaching to the hereafter.

The completion of this research work was impossible but with the help of many, it became possible. I would like to express my fullest and deepest gratitude to my guide Dr. Supriya Sahasrabuddhe, whose supervision and valuable guidance enabled the researcher to complete this work. She has been very kind, patient, helpful and supported the researcher with constructive comments and valuable advice and ideas throughout the progress of the research project.

My fullest and deepest gratitude to Dr. Ashok Thorat the Director of IASE, for his help and support and for his professional and personal assistance during the different stage of this work. I wish to express my appreciations and gratitude to Dr. Gokhale, the Head of the English Department, Faculty of Arts, University of Pune for his academic help and valuable advice. It is not enough to express my fullest and deepest
gratitude and thanks to Dr. Hassan Ali Hassan for his constant encouragement, valuable ideas and supports during different stages of the research.

I would like to express my great thanks to Dr. S.R. Sharma, Head of Linguistic Department, Deccan College, for his unlimited guidance and help.

I would like to thank Prof. T. M. Khan for his linguistic corrections during his revision and proof reading of the chapters.

I would like to express my great thanks to Dr.(Mrs.)S.S. Chopra, for her valuable advice and help during the research period.

My sincere thanks to the Dean of my college and his vice in Yemen and to all my colleagues and friends such as Dr. Al-Yamani, Al-Humaedi, Zizi Salem, Al-Saqaf; Gamal, Mukhtar, Ezleem, Sonia, Seena, A. Haidrah, Abdulbary, Azazi, my teacher Dr. Al-Shaibani and the staff and students of the English Department for their continuous help rendered during the thesis work.
I also express my deepest thanks to my friends Dr. Dawood, Dr. Gamal, Fahid, Amin, Omar, Abdullah, Taha, Ahmed, Salem, Hashim and all the other friends and fellows for their professional and personal help throughout the research work.

I have to express my grateful thanks to Mrs. Eatraf Al-Sumati for her immense help in analyzing the questionnaires data and the final draft of the pre-test and post-test results.

I would like to offer my sincere thanks to the University of Aden for giving me the opportunity to do this M. A. and Ph. D. studies in India. Especially I thank Dr. Basura, Dr. Al-Hamadani, Dr. Bin Saror, Ali Saad, A. M. Aelioh and others for possible assistance to me.

Last but not the least, my heart felt gratitude and thanks to all my parents and family members such as grand mother, mother, wife, brothers, son, daughters, aunts, uncles and all relatives for their moral support, their patience, and encouragement during my study period in India. Also, I am very sorry if I have failed to mention certain names here.
