Acknowledgement

After having decided to study an important phenomenon of cognitive development among the children it was necessary to conduct field trials. This required cooperation from several institutions, schools and people. I have pleasure to express my gratitude and heartfelt thanks towards all those who have contributed to my work.

Special mention must be made of an esteemed university; i.e. S. N. D. T. Women’s university, Bombay, to have given me an opportunity for my research.

My guide Dr. B.V. Soman, all the time, gave his valuable guidance and spared a lot of time for the work that was involved in completing this thesis. I express my sincere thanks for the very valuable guidance for which I am obliged.

Dr.V.B. Mehta, Principal, S.N.D.T. college of education, Pune often encouraged me. She also gave her valuable advice during my work for which I am thankful.

Shri. Mashalkar, head master, N.M.V. Boy's high school, Pune 2. Shri Paradeshi, head master, Jeewan Shikshan Vidya Mandir, head master, Bopgaon, Shri Raut, Head master, Jeewan Shikshan Vidya mandir, Hivare. All other teachers from above mentioned schools where the field trials were conducted.

I also thank the head master and concerned teachers L.R. Shinde High school, Pune 9, Vimalabai Garware High school, Pune 4, Abhinav Vidyalaya Marathi medium high school Pune 4.

I am also very much thankful to all those children who responded enthusiastically by their active participation due to which this work could be completed.

I thank all my friends and colleagues who gave necessary help in proper time.

I acknowledge the help and participation of all those who directly or indirectly are concerned with my research work.
