PUBLICATIONS

Following papers are presented in DAE-BRNS 5th Symposium on Nuclear Analytical Chemistry, Jan 20-24, 2014. Organised by Bhabha Atomic Research Centre, Mumbai.

4. B. S. Surung and P. P. Pawar, “Studies on linear attenuation coefficient and total interaction cross section of Sodium metal in the energy range 0.122-1.330 MeV.

Following papers are published in **BIONANO FRONTIER** of National Conference on Emerging Trends in Lasers and Advanced Materials (NCETLAM) October 28-29, 2013, Organised by Department of Physics, M.E.S.Abasaheb Garware College, Pune.
