ACKNOWLEDGEMENTS

I express my heartfelt gratitude to my supervisor, Dr. S. Shivaji, who has been extremely kind and gracious in giving me the opportunity to work with him. I am grateful to him for his guidance, support and continuous encouragement during my stay in CCMB. His sincerity, commitment and industrious nature will always remain a source of inspiration to me.

I thank Dr. Lalji Singh, the present Director and Dr. Balasubramanian, the former director for their support and making CCMB a wonderful place to work in.

I am extremely grateful to Dr. K. Uma Devi for teaching me my work when I joined the lab, and for her valuable advice and support at all times.

I am indebted to Dr. Jyotsna Dhawan for her constant encouragement which always inspired me to overcome the most difficult of situations.

My sincere thanks to staff of all the technical support groups in CCMB, especially to Giridharan, Bapi Raju, Chakravarthy, V. K. Sarma, Dwarakanath, Harinarayana Rao, Rajasekharan, Sreeramulu, Meher, Sekar Ramachandran, Kishore, Nagesh and the entire photography section.

I sincerely acknowledge the technical help received from Chetana, Ruchi, Uma Prasad, and Muralikrishna.

Amritha, Ananya, Anil, Anurag, Ashwin, Devaki, Kumaran, Madhu, Manjula, Maumita, Pallavi Ghosh, Pallavi Kshetrapal, Prabhu, Prakash, Prashant, Raghu Raman, Rajaram, Rakhee, Roshni, Ruchi, Satyajeet, Satyalaksmi, Sanjeev, Shraddha, Shanti, Siva, Subramanian, Suvendra, Suvendu, Waseem, have all contributed, in one way or the other, to making my stay in CCMB a pleasant one. It gives me tremendous pleasure to thank Hari who has helped me in many ways. His company has been very beneficial and it is going to be memorable for me for long.

I owe a special debt of gratitude to Ajay, Priyamvada, Ram Kumar, Kameshwari, Kiran, Puneeta, Jagreet and Chetana for their attention and care.

My thanks to all the members of West Wing Ground Floor, especially Pratik, Regha, Chatti Kiranam, Archana, Kamala, Razia, Patil, Seshu, Suresh, Purusharth, Dr. Kholkute and Sarita for providing a very cordial atmosphere. I enjoyed the company of Malay Basu and my heartfelt thanks to him for certain valuable advice and help in computer work.
I would like to thank Venugopal and Devender who have rendered invaluable assistance in the lab. My thanks to Rajani for typing the manuscripts for publications.

I appreciate very much the help of Shanti, Kameshwari, Archana, Satyalakshmi, Kiran, Razia, Purusharth, Giridharan and Malay, who have contributed to putting this thesis on paper in its final form.

Dr. Pramod Garg has stood by me through thick and thin, and I take this opportunity to thank him.

Words are not enough to express my gratitude to my parents, who would be the happiest people to see me succeed in life.

It gives me great pleasure to thank my friend, Ravi; my younger brother, Vijay; my brother-in-law, Shri B. K. Jha and all my family for their willing support and encouragement.

Financial support from CSIR is gratefully acknowledged.
